

INFORMATION BROCHURE

Where every child is *known.*

Meeting the education needs of TODAY with the traditional wisdom of YESTERDAY and the technology of TOMORROW.

BRIGHTON
INTERNATIONAL SCHOOL
RAIPUR
AFFILIATED TO CBSE - 3330153

Dear Parents, *welcome* to Brighton.

Choosing a school is one of the most important decisions a family makes. This brochure is our way of showing you, honestly and in detail, what your child's days at Brighton would look like: how we teach, who teaches, where they learn and play, and how we stay in touch with you.

Brighton International School, Raipur, is a CBSE school with a progressive curriculum. Experienced teachers and fresh ways of teaching bring it to life, and programmes for children's social and emotional well-being are part of everyday school life.

The school is known for weaving life skills into academics. Our curriculum follows the National Education Policy and makes full use of blended learning, with cloud classrooms and assessment that adapts to each child. Education is changing, and Brighton is changing with it.

Since 2010 we have grown from a small school of 110 students into a community of over 3,700 children across locations, from Nursery to Class XII, from one city to two. What has not changed is the promise behind The Brighton Way: to teach well, to be there for families, and to keep every child safe.

A movement called *Brighton*

Our name joins two words: **Bright** and **Nation**. Brighton was started by the Pratistha Educational Society in 2010 with a simple belief: that life skills matter as much as marks, and that a bright nation is built one well-taught child at a time.

2010	Brighton opens its doors in the summer with 110 students.
2012	Affiliated to CBSE as a Senior Secondary school (No. 3330153).
2014	The first Mindspark, our inter-school festival of ideas and talent.
2016–18	Ranked No. 1 in Chhattisgarh by Education World,, in 2016,2017,2018, 2023, 2024, 2025, 2026
2019	Brighton starts in Shahdol (M.P)
2024	Bubbles Preschool & Activity Hub opens in Raipur
Today	3,500+ students, 200+ teachers, and a franchise school in Shahdol, M.P.

The Brighton *Way*

OUR VISION

Meeting the education needs of *today* with the traditional wisdom of *yesterday* and the technology of *tomorrow.*

We hold on to the values that have always made good people, teach what children need for the world they live in now, and prepare them confidently for the one that is coming.

THREE PROMISES TO EVERY FAMILY

i. We will teach well.

Small classes, trained teachers and a CBSE curriculum taught through doing, not memorising.

ii. We will know your child.

Every child is tracked, noticed and encouraged as a person, with life skills given the same weight as marks.

iii We will keep you close.

Regular meetings, an app in your pocket and a door that is always open to parents.

The people who *lead* us

Brighton is run by people who care on campus everyday and who know our students by name. Following an open door policy, any parent can ask to meet them.

PRINCIPAL

Mrs Jayshree Nair

30 years in school leadership and administration. A graduate of the Regional College of Education, Bhopal, with master's degrees in English, Economics, Education and Business Administration.

VICE PRINCIPAL

Mrs Neha Sethi

Over 20 years as a teacher, academic coordinator and Vice Principal. An expert in Maths, Science and English. University topper in her Master's in Educational Psychology. Her motto: “Work is worship.”

HEADMISTRESS

Mrs Asha Sharma

At Brighton since 2015, with deep experience in early childhood education. BA in English Literature, BEd, and a Diploma in Child Education & Applied Psychology. A firm believer in learning by doing.

CHAIRMAN

Mr R P Singh

In education since 1991, he has helped set up schools and institutions across Chhattisgarh and Madhya Pradesh. He believes learning should be about passion and ambition, with quality at its very heart.

MANAGING DIRECTOR

Mr Abhiney Singh

An engineer from NIT Raipur with an MBA from MICA, Ahmedabad. Teacher, consultant and former media professional (Mindshare WPP, Big Broadcasting), he writes the Teach Club blog and is an active Rotarian.

200+ teachers. *One Mission.*

OUR FACULTY
MOTIVATED TO HELP EXCEL

Six reasons parents *choose us*

01 **Students per Class**
Never more than 30 children in a section, so no one gets lost.

02 **Learning by doing**
No grammar books, no computer textbook. Children code in Scratch and Python and build with LEGO and Arduino.

03 **Life skills, on the timetable**
Brighton Kindle builds confidence, speaking and character from the early years.

04 **Results that hold up**
100% pass in both Class X and Class XII board exams, year on year

05 **Unique Pedagogy**
No two students write the same answers, independent thinkers

06 **Safe from gate to gate**
GPS-tracked buses with CCTV and lady attendants, and a nurse on secure campus.

The best way to judge a school is to walk through it. Come and see us.

How we *teach*

We follow the CBSE curriculum and NCERT books, shaped by the National Curriculum Framework and NEP 2020. What makes it Brighton is how it is taught: by asking, making, speaking and doing.

Every classroom is air-conditioned and has an interactive touch board, and every day starts with a short class assembly where children take turns to speak.

TAB · TRACK AT BRIGHTON
A quarterly check on every child's progress, so gaps are caught early and not at exam time.

SKED CALENDARS
The term's plan, shared with parents in advance: what will be taught, tested and celebrated, and when.

LESS HOMEWORK, MORE THINKING
No formal homework except Maths. Practice happens in class, with the teacher, where it counts.

DYNAMIC TECHNOLOGY CURRICULUM
No computer textbook. Children learn Scratch, Blockly and Python, and build with LEGO and Arduino. 1 Computer/student

ENGLISH, EVERY DAY
English is the spoken language of the campus, so confidence and fluency grow naturally, day after day.

CONNECTED CLASSROOMS
Google Classroom for work and notes; the MyClassBoard app for attendance, results and circulars.

2 library periods a week for every class, with over five books for each student on our shelves.

From first steps to *boards*

Each stage at Brighton has its own pace and its own teachers, but one thread runs through all of them: children learn best when they are curious, active and known.

PRE-PRIMARY · NURSERY TO KG II

Learning through *play*

A play-way programme of stories, rhymes, colours, textures and sound, in a one-acre play garden. Children start Nursery at 3½ years and the school day ends at 1:00 pm.

PRIMARY · CLASSES I TO VIII

Finding their *voice*

Strong reading, writing and numbers, taught through activities. Every child takes the stage in Class Events, and Brighton Kindle builds life skills week by week.

MIDDLE & SECONDARY · CLASSES IX TO XII

Planning their *careers*

Subject teachers, labs and the Atal Tinkering Lab turn ideas into projects. Steady, tracked preparation leads to the Class X board exam without last-minute panic.

Choosing a *path*

Senior Secondary since 2012, with five streams to choose from. Students choose a stream after counselling, not guess work, and each stream is taught by specialist teachers.

Science *Maths*	English, Mathematics, Physics, Chemistry Fifthsubject:PhysicalEducation,InformaticsPractices or Psychology
Science *Biology*	English, Biology, Physics, Chemistry Fifth subject: Physical Education, Informatics Practices or Psychology
Commerce	English, Accountancy, Business Studies, Economics Fifth subject from the electives offered that year
HSBA Higher Secondary Business Administration	English, Financial Market Management, Business Studies or Business Administration Plus Entrepreneurship, EconomicsorPsychology,andoneofPhysical Education, Informatics Practices, Legal Studies, Applied Maths or Marketing. A CBSE course that lays the groundwork for BBA and MBA.
Humanities	English, Political Science, Geography Plus Entrepreneurship, Economics or Psychology, and one of Physical Education, Applied Maths, Marketing or Legal Studies

LOOKING BEYOND SCHOOL

Rome was not built in a day
Our career-planning activity, where students map out their path step by step

1 : 1
Career counselling, plus visits by educators and universities to help students plan ahead

80%
Average Class XII Board score, across streams

2
Teachers for every section, a healthy teacher-to-section ratio

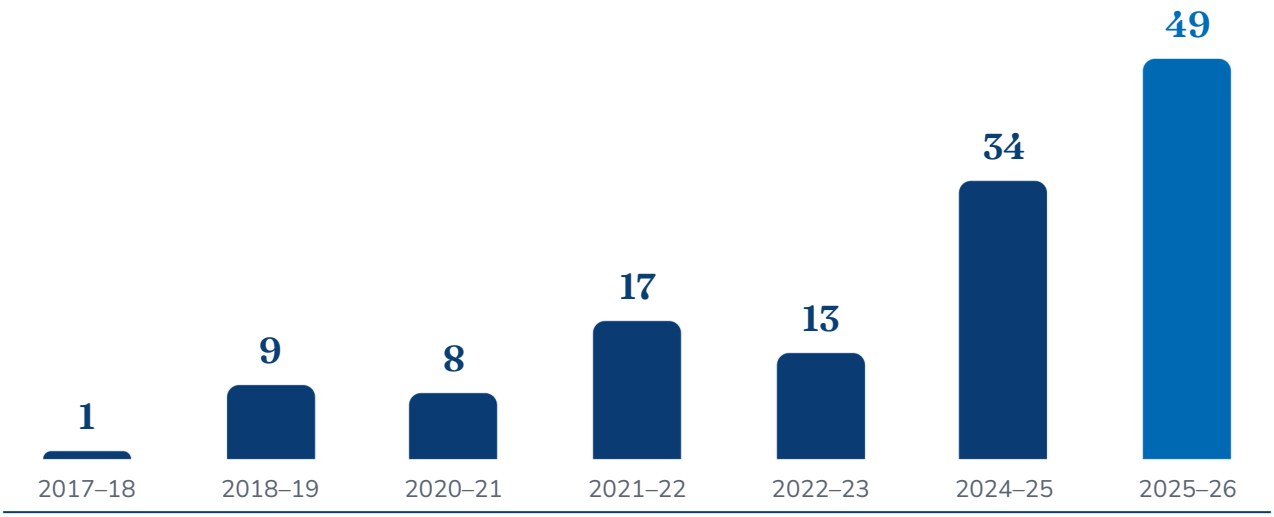

Results that *keep rising*

Every Brighton student who sat theClass X and Class XII CBSE board exams in each of the last three years passed. More importantly, the number of children doing exceptionally well has grown year after year.

CLASS X STUDENTS SCORING 90% OR MORE

Class XII	100% · 94 students	100% · 64	100% · 90

Built here, *by them.*

Our Robotics Lab, where students take an idea, write it, code it and test it. It sits alongside five computer labs with 150+ desktops, one computer per student and more than a dozen science and activity labs.

Scratch · Blockly · Python · LEGO robotics · Arduino

WHAT OUR STUDENTS HAVE BUILT

National Gold	INSEF 2025 · "Blind Vision", by Shaurya Grover and Soumya Jain
Bronze, USA	Genius Olympiad 2025, an international science fair held in the USA
NeuroMove	STEM Innovation League · Tanisha Malani and Ishika Jaisinghani
INSPIRE-MANAK 2026	Three students selected, and a top-20 place at BIGBANG 2026

Skills for *life,* not just exams

BRIGHTON KINDLE

Life skills, taught like a *subject*

Life skills are the heart of our philosophy. Through Brighton Kindle, our own life-skills programme, children practise speaking up, working in teams, caring for others and the environment, and making good choices, as a regular part of school life.

BRIGHTON LECTURE SERIES

Learning from people who *did it*

The Brighton Lecture Series features guests who offer valuable guidance on Career selection & life path guidance to young Brightonites, The lecture series unites professionals from various backgrounds & promotes awareness of diverse career paths

CAREER GUIDANCE, STEP BY STEP

Counselling
Compulsory one-to-one sessions before choosing a stream.

University & Career
A yearly session on courses, colleges and entrance exams.

Alumni meet
Former students return to share what college is really like.

Eight green acres, *built for children*

Our campus sits off the Baloda Bazar Road,1.5 km from the old Vidhan Sabha and away from city traffic, among more than 300 trees.

Air-conditioned classrooms with touch boards	80+	Auditorium, seats	300
Science, activity & tinkering labs	10+	Open courtyard, sq ft	10,000
Computers across five labs	150+	Play garden for the little ones	1 acre
Library books per student	5+	Given to sports grounds	4 acres

Also on campus: music, dance and art studios, cricket nets, hands on science lab, Briscafe, and a medical room with a nurse on duty.

More than *four* acres *to play*

Sport is part of every child's week, not an extra. Our grounds are built to a standard where students can train seriously and compete with confidence.

Cricket	Two pitches and three practice nets, Cricket Ground
Football & Basketball	Football Ground, Basketball court and three Volleyball courts
Boxing	An international-standard boxing arena
And more	Large indoor play area, table tennis and and post school Cricket Academy

BRIGHTON CRICKET ACADEMY

Coached by former Ranji Trophy player **Mr Sanjeev Prasad**. Every summer, our sports camp opens the grounds to young players for focused coaching.

Music, stage *& belonging*

Dedicated music, dance and art studios, and the 300-seat auditorium, give every child a stage. Annual functions, Mindspark, festivals and most importantly class events mean every child performs, not just the confident few.

OUR FOUR HOUSES

Every student belongs to one from the day they join

Alpha
the Rhinos

Bravo
the Panthers

Charlie
the Elephants

Delta
the Lions

Houses compete across sport, literary, music and art through the year, so leadership and team spirit are learnt by doing.

OUR INTER-SCHOOL FESTIVAL · SINCE 2014–15

Mind*spark*

Each year, Brighton opens its doors to Mindspark, a vibrant celebration spanning two days, where schools from Chhattisgarh engage in spirited competitions across more than 15 thrilling events. This grand gathering welcomes over 900+ eager students from various institutions, all participating in a student-led extravaganza where young talents shine in diverse events and age groups.

900+
participantsin2025–26

27
schoolstook part

2
days of events, every year

Chief guest at the 2025–26 edition: Shri Jagdish Barman, Regional Officer, CBSE.

You are part of *the team*

A child does best when home and school pull in the same direction. So we keep parents informed, invite them in often, and listen when they speak.

Partners in Progress Meeting

Three to four meetings a year with your child's teachers, to talk about progress, not just marks.

The School Mobile App

Attendance, results, circulars and live bus tracking on the MyClassBoard app.

SKED calendars

The term plan in your hands in advance, so you always know what is coming up.

Rays Magazine & Bri. Dialogues

Our school magazine, now 20 issues strong, a showcase of our students' writing, art and achievements. Brighton dialogues is a monthly parenting advisory.

ALWAYS OPEN

Have a concern? Our parents' helpline is **+91 91099 91961**, for anything you would like us to look into.

Safe, and *cared for*

Your child's safety is the one thing we never compromiseon, from the moment they board the bus to the moment they are home.

SCHOOL TRANSPORT

50+

school buses covering a 35 km radius of Raipur

On every bus

GPS tracking, CCTV cameras, speed governors, SOS switch and a lady attendant.

Secure campus

A medical room with a nurse on duty.
Extensive coverage of CCTV on campus

Clear policies

An Internal Committee under the PoSH Act, as required by law.

On your phone

Follow your child's bus live on the school app.

At the café

Children may carry no more than ₹50 for the canteen.

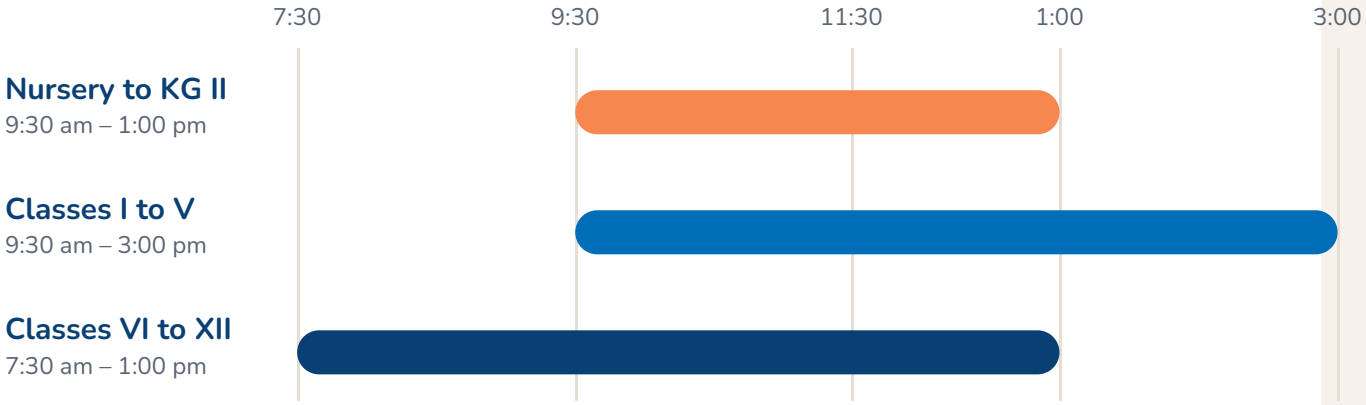

Transport desk

Routes and bus queries: **+91 79748 90904**

A day at *Brighton*

School runs Monday to Saturday. Each stage has a day shaped to its age: shorter mornings for the youngest, an early start for the seniors.

SCHOOL TIMINGS · MONDAY TO SATURDAY

THE UNIFORM

Nursery to Class V

A different colour T-shirt for each day of the week, comfortable for active, play-based learning.

Classes VI to XII

Sky-blue shirt with navy trousers, and a blazer and tie in winter.

Recognised, *year after year*

EDUCATION WORLD INDIA SCHOOL RANKINGS

Ranked the ***No. 1 school in Chhattisgarh*** seven times.

No. 1 2016

No. 1 2017

No. 1 2018

No. 1 2023

Come and *see for yourself*

OFFICE HOURS

Monday to Saturday
10:00 am – 4:30 pm

Sunday
10:30 am – 12:30 pm

QUESTIONS PARENTS OFTEN ASK

How many children are in a class?	No more than 30, in every section from Nursery to Class XII.
Is there homework?	No formal homework except Maths. Practice is done in class with the teacher.
What attendance is expected?	At least 75% attendance through the year.
Is English spoken on campus?	Yes. English is the spoken language at school, which builds confidence quickly.
Can my child carry money?	Up to ₹50 a day for the canteen. Nothing more is needed.
How far do the buses go?	Within a 35 km radius of the school. Call the transport desk to check your route.
Where can I see the fees?	The current fee schedule is available at the admissions office and on our website.

We'd love to *meet you.*
