Story Narration Competition

From Principal's Desk

Greetings ! Peace, love, respect and unity be with you readers.

I once again welcome you to read and enjoy 'RAYS' to know about different activities, competitions, winners and students' articles. I hope all this will give you more information about your ward and the school. I extend my heartfelt thanks to all the parents for their unconditional support in the development of their ward.

We have successfully completed three months for the new session and the students participated in many activities with great zeal and enthusiasm. I congratulate all the parents for their ward's successful participation in all the competitions. Keep motivating your ward as you always have been, it will definitely boost their confidence and help them to achieve what they want.

The students by now have got themselves ready to appear in the Term-1 Examination. I wish parents and students all the best for the same.

Warm Regards

Jasmine Joshi

Inauguration of New Academic block

At Brighton we inaugurated our new academic block, dedicated only to our Young students. It was also a great occasion, where our parents from initial years came together to cut the ribbon at this occasion. We thank all the parents again for helping us grow through these years.

International Yoga Day Celebration

United Nations General Assembly has declared 21st of June as an International Yoga Day on 11th of December in 2014, our students just like every year put together a splendid show to celebrate the occasion. The celebration happened across multiple venues inside the school. Stay Fit, Stay Healthy and Stay Well.

Collage Making

RAYS

Crown Making Activity

Nursery students made the crowns in an activity and wearing them made the students feel as kings /queens. This activity helped to develop their gross and fine motor skills.

Interhouse Competition Winners

We congratulate all the winners of Inter-house Competitions. The motive behind Inter-house Competitions is to foster a school culture with active participation of students in different activities and sports.

Free Play

Free play is an important part of the kids' routine. This helps them to develop their physicalskills, learn about sharing and caring for others, develops social skills, language and communication. The Nursery students participated enthusiastically in the Free Play.

Musical Chair

A Musical chair fun activity was organized to improve listening skills of young learners and to develop competition among them.

Let's Thank our Helpers

What can be a better idea than performing the roles of the people about whom we want the students to know more. Keeping the same in view students participated in a role play of different community helpers.

RAYS

Shapes Mania Activity

Shapes Mania was another activity to improve mathematical skills and to develop an understanding among students that the world is full of shapes. This activity helped the students to identify five basic shapes – square, rectangle, circle, triangle and star.

Magic Show

Everyone likes magic show and enjoying a magic show after the vacations fascinated everyone. Students praised and admired the show. It involved learning some magic tricks, fighting stage fear and developing confidence.

Treasure Hunt

To add some excitement as the new session begins, a Treasure Hunt activity was organized for pre primary which was the perfect combination of fun and adventure. Students were split into groups for the hunt and the treasure of soft toys added even more fun. The activity proved to be a good way of practising co-operation and working as a team.

Knowing Our Senses

Learning about the sense organs and that too with lots of fun grabbed everyone's attention. The blindfold activity to feel the touch, taste, smell or identifying sound was enough to make the students understand the importance of each sense organ.

Yellow Day Celebration

Yellow means happiness and energy. With an objective to recapitulate and reinforce effects of yellow colour, Pre Primary kids celebrated Yellow Day. They all were beautifully dressed and made yellow objects to make the day complete.

Red Day Celebration

Red colour symbolizes enthusiasm and life. The students dressed up in red, display boards full of craft work with red colour justified the theme of the day. It helped students to classify and sort the red objects. Students got to know different shades of red.

Primary Wing

Cleanliness

Topic: Importance of Cleanliness

Proper Hygiene is not designed just to help oneself appear neat and clean. It is primarily designed to keep the body free of disease-carrying germs or bacteria. To create awareness for hygiene among students, a poem recitation competition was held on the topic "Importance of Cleanliness". Inculcating such habits among students will definitely ensure a step towards healthy lifestyle.

Competitions

'Photo Frame Making', and 'Collage Making' competitions were organized for class IV & V. Preparation classes taken by craft department helped the students to improve their abilities in making both the products.

Students selected a theme for collage making and expressed their ideas on the paper.

Use of different craft techniques like paper quilling, folding, pattern cutting resulted into fabulous photo frames.

The creativity of students was clearly reflected by different attractive frames made using the same material provided by school.

English & Hindi Handwriting Competition

Good handwriting seeks the attention of others. To develop awareness and love for good handwriting, English Handwriting Competition was conducted for class II students. The students were asked to write two pages in the best of their handwriting. They were judged on the basis of neatness and formation of letters. The activity brought out the talent and creativity of the students and emphasized on maintaining good handwriting.

Collage Makng Competition

Collage is a wonderful place to start especially for young children as it nurtures their natural desire to explore the world through their sense of touch. It also allows a certain level of flexibility and allows children to choose the material for manipulating shapes of various textures, forms and colours until they are satisfied with their arrangement.

To make the students appreciate the possibilities of using simple materials a " Collage Making" activity was held for the students of class IV and V.

The students showcased their creativity and imagination through beautiful presentation of collage.

English Poem Recitation Competition

A poem recitation competition witnessed the superb performance of students reciting wonderful verses about 'Trees'. Students were judged on their abilities of memorizing, expressions, presentation and voice. The winners were rewarded with the certificates.

Extempore

Mask Making Competition

Mask making competition was held for students of Class I. The competition was conducted to nurture the imagination of the students and help them to develop and strengthen their motor skills.

Newspaper Reading Competition

Newspaper reading helps the students to develop not only reading skills but also writing, grammar, vocabulary and speaking skills. Reading can help them to articulate ideas more fluently, as well as read and understand a whole variety of texts. With a motive to develop newspaper reading habit 'Newspaper Reading Activity' was conducted for students. The active participation of students proved their readiness to learn more.

RAYS

Poster Making Competition

Poster making activity was conducted for students of class III. Students participated in the activity enthusiastically and coloured their imagination and thoughts in the form of posters.

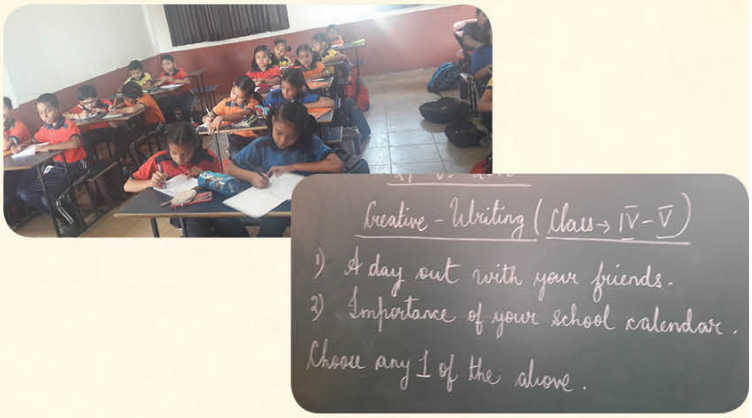

Role Play - Players

Students of Class IV & V played the roles of great players on the theme-"The National Players of different countries",where they acted as Sachin Tendulkar, Virat kohli, Mahendra Singh Dhoni, AB de Villiers etc. It was surprising and overwhelming to see these young buds try and fit into these legend's shoes with such ease and grace. The short lived performances of the students were very precise and electrifying. No doubt they performed the roles of legends of different fields and era, yet they laid a strong emphasis on the most recurrent attributes which made them legends.

Creative Writing Competition

Role Play

The students had a role play competition with a motive to create an understanding of negative and positive effects of different actions. It was great to watch the students giving a message on day to day actions like saving water, importance of cleanliness , healthy food as well as the harmful effects of junk food and many more.

Paragraph Writing Competition

Paragraph writing being an art of describing about topic not only requires writing skills, but also the presentation. With paragraph writing competition , students displayed their writing as well as their creative talents and knowledge of the given subject/ topic.

RAYS

Scratch Your Brains Activity

The activity 'Scratch Your Brain' was conducted for Class III students. The activity comprised of a question paper with tricky and High Order thinking Questions. Students were compelled to use lateral thinking and solve the paper. The activity made the students understand and analyze their capabilities in utilizing applications of maths in everyday life.

Wall Hanging Making Competition

Wall Hanging is a beautiful way to add colours to walls. Wall may belong to a new building or just redecorating the old ones. The Wall Hanging Competition was held for Class II and III students to bring out their well thought out visualization. The students enthusiastically participated and demonstrated their talent of creativity. The idea behind the activity was to encourage imagination in students.

Sentence Race

In order to motivate the students for learning proper sentence formation and to improve their writing skills a "Sentence Race" competition was conducted where students framed sentences using words beginning with a particular letter. The overall activity was a fun for them and it was really amazing to watch them competing with each other to frame maximum sentences.

Story Writing Competition

Writing a story helps to discover the fundamentals of writing in English as well as it helps students to come up with new ideas or thoughts to express different aspects of life. Such activities help students to develop self-confidence towards the things they love to do. The young writers put amazing stories forward through the competition.

A POEM LOVELY THAN A TREE...

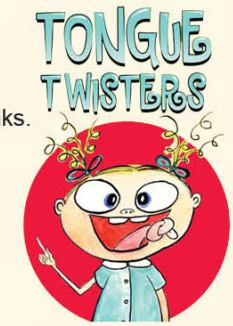

I think that I shall never see,
A poem lovely than a tree.
A tree which gives us everything,
And doesn't take a single thing.
The trees are the best creature,
Which are made by nature
So don't cut trees,
For our better future.
The poems are made by people like me,
But only God can make a tree.....

Little Boy Blue

Please cover your nose.
You sneezed on miss Muffet
And ruined her clothes.
You sprayed mother Hubbard
And now she is sick.
You put out the fire
On jack candle sick.
Your sneeze is the reason
Why humpty fell down.
You drenched yankee doodle
When he came to town.
The blind mice are angry!
The sheep are upset!
From now on, use a tissue
So no one gets wet!

मेरी माँ

मेरी माँ कहती है
तू गुड़िया नूरानी है
मेरी आँखों का पानी है
मेरी माँ कहती है।
पर जाने क्यों मेरी माँ
सहमी–सहमी रहती है।
पग–पग पर तू
संभलकर चलना
घर से बाहर कम ही जाना
दिन ढलते ही लौटकर आना
मेरी माँ कहती है।
नहीं कोई है चाचा–मामा
नहीं किसी को भाई बनाना।
गुड़िया चाकलेट और खिलौने
के चक्कर में कभी न आना
मेरी माँ कहती है।
उन्मुक्त गगन में उड़ जाऊं
मैं भी अविरल बहती जाऊं
ये मेरी मनसा रहती है।
पर दुनिया से बचकर रहना
मानव का है रूप घिनौना
मेरी माँ कहती है।
जाने क्यों ये सब मुझसे
मेरी माँ कहती है।

The String of thoughts school

School is something we must
We must all embrace…
Knowledge we need
To sock out and chase…..
Subjects and teaching styles.
Are plentiful and vary….
Just like the backpacks,
We all need to carry….

Sports, clubs and activities
At every single turn
So much to do
Study and learn…

We get the most from school
We should consistently attend….
Around each corner,
There is always a friend……
Our favorite teachers,
Are friendly and kind….
Their passion and job
To expand every mind

School is something,
We must all embrace….
Just remember to learn,
At your own pace….

गर्मी की छुट्टी

इस बार गर्मी की छुट्टी जो आई थी,
मेरे मन में अत्यधिक हर्षोल्लास छाई थी।
इस बार तो हमें नानी घर जाना था,
अपनी इस छुट्टी को यादगार बनाना था।
सारनाथ एक्सप्रेस से यात्रा पर चल पड़े,
रास्ते में खाया खीरा, फल्ली दही-बड़े।
देखे नए स्टेशन, नदियाँ और पहाड़
गाँव देखा, देखे मंदिर, देखे नए झाड़।
ठंडी रात, गर्म दोपहर, शाम में हवा लहर-लहर
अंत में अपने गाँव पहुंचे गुजर-गुजर शहर-शहर।
पाँव छुए बड़ों के, सबको नमस्कार किया
नानी ने माथा चूमा मुझे ढ़ेरो प्यार किया
नहर जाकर नहाते, जंगल में दातुन करते थे
बन्दर उछलते, मोर उड़ते और गुन-गुन करते
घर के गाय की दूध, चीनी, गुड़ की रोटी खाती
नानी का तेल लगाना, उनकी गुथी चोंटी भाती।
नाना अक्सर बाजार से सब्जी मिठाई लाते
बकरी के साथ दौड़-दौड़ मिलकर खाते
नहीं करते पढ़ाई, हरदम करते मस्ती सब
उदास हो गई मैं, आ गई लौटने की बारी जब।
घर पर भी गाँव की, यादों में खो जाती हूँ
गाँव ही दिखता सपने में, जब भी मैं सो जाती हूँ

Some good thoughts

- Be big enough to admit, encourage and admire the abilities people who are better than you.
- It is the deterrence between each individual that makes us special.
- Life gives us new lessons each day not for learning but to improve our understanding.
- Success Comprises at 90% attitude and 10% talents.
- A clear rejection is always better than a fake promise

"Learning is a lifelong process and having the best positive attitude towards learning can have great Impact on what you will achieve in life. Nobody plans to fail. Often we fail to plan. For the best results both while learning and working we should work to developing the correct mental attitude.

Bond of friendship

- Friends are the most important part of life.
- Friendship is a stronger form of interpersonal bond than on Association.
- Friendship is a relation of mutual affection between people.
- The school years are the best years of life.
- Not because it's a carefree time in our life but because we have the greatest company by our side : Our School friends.
- We laugh with them. We share our feelings, do stupid things together and have a special bond which lasts for life long.
- Watching movies together, eating things together, fighting, doing certain things to make each other. Laugh are only some of things we do with our friends.
- We share our happiness as well as sadness with them.
- We used to tell each and everything to them because we trust them and also know that they would not break our secret.
- In our life rather than studies we enjoy spending time with friends.
- It's true that we fight with them but only after sometime we again talk to them.
- So, friendship is affectionate, quite, funny, loving, caring and happy relationship.
- In this world, everyone needs a friend for everything.

Dr. A.P.J. Abdul Kalam

- For me there are two types of people young and the experienced one.
- Confidence and Hard work is the best medicine to kill the disease called failure. It will make you successful person.
- All birds find shelter during a rain but eagle avoids rain by flying above clouds. Problems are common, but the attitude makes the difference.
- If you want to shine like a sun then first burn like sun
- One best book is equal to hundred good friends but one good friend is equal to library.

- Speak 5 lines to yourself every morning:
- I am the best.
- I can do it.
- God is always with me.
- I am winner.
- Today is my day.
- Black colour is some time sentimentally bad but every black board makes the student like bright.

बदलती दुनिया

काश फिर से आ जाये एक ऐसी बहार
एक बार फिर से हो जाये इंसान को इंसान से प्यार
काश फिर से झूम के बरसे एक ऐसी बरसात
एक दूसरे का गम लेकर हो जाये फिर से साथ
सारे अपने छूट रहे है, सारे सपने टूट रहे है
समय से पहले न जाने कितने फूल मुरझा रहे है
धोखे की इस दुनिया में विश्वास कही खो गया
झूठ और फरेब में सच कहीं सो गया
दूसरे के दुःख से अब नहीं कोई वास्ता
राह में किसी को तड़पता देख काट लिया रास्ता
ईमानदारी सो गई, हमदर्दी खो गई
अपना लिया हर किसी ने बस स्वार्थ का ही रास्ता
बदला लेने को तैयार, साथ देने को नहीं
इतने बदल गए लगता है हम इंसान नहीं
सोच सको तो सोचो, रोक सको तो रोको
अन्धकार में जाती दुनिया बच सके तो बचाओ I

महाकंजूस

1. एक महाकंजूस अपने बेटे को पीट रहा था...
   पड़ोसी-क्यों पीट रहे हो, इस मासूम बच्चे को?
   कंजूस-मासूम बच्चा???
   अरे एक नंबर का शरारती है ये...
   मैंने इसे कहा था कि 1-1 सीढ़ी छोड़-छोड़ कर चढ़ना,
   चप्पल कम घिसेगी...
   नालायक दो-दो सीढ़ी छोड़कर चढ़ा, पजामा फट गया.....
2. पप्पू-पापा मुझे DJ खरीदकर देदो।
   पापा-नहीं दूंगा तू बहुत लोगों को तंग करेगा
   पप्पू-नहीं करूंगा पापा जब सब सो जायेंगे तब बजाऊंगा।
3. फ़क़ीर-आपके पड़ोसी ने पेट भरकर खाना खिलाया है,
   आप भी कुछ खिलाओ।
   चिंटू-ये लो हाजमोला।
4. मम्मी-तू बाल क्यों नहीं कटवाता है?
   लड़का-ओह मम्मी इट्स फैशन...
   मम्मी-नालायक तेरी बड़ी बहन हो देखने आये थे...
   वो तुझे पसंद करके चले गए।
5. एक अमेरिकन डाक्टर भारत आया।
   बस स्टैंड के पास एक बुक स्टाल पर किताब देखते ही,
   उसे दिल का दौरा पड़ गया।
   20 रुपये की उस किताब का नाम था
   "30 दिन में डाक्टर कैसे बने?"
