"Renewed Energy and Strength: A source of motivation"

Session 2017-18 came to an end and hence marked the beginning of a new academic session. A new academic year brings renewed energy and strength which keeps us motivated to achieve the desired goals and helps in turning dreams of our students into reality.

We are thankful to all the parents for believing in Brighton and it's all your faith and support which keeps us moving and enables us to achieve a milestone every year.

We would also like to welcome our new students and their parents with a firm assurance that you will find the school welcoming with a positive environment, enhancing the learning and growth in all aspects.

This edition of 'RAYS' will give you a glimpse of the activities performed by our students in just concluded session 2017-18. We hope that our new students and their parents will get an impression of co-curricular activities performed in the school time to time.

Warm Regards

Jasmine Joshi

Art & Craft Exhibition

The artists got their time under the Sun at Brighton with a beautiful exhibition of their work. Blessed by the dignitaries from the art world National Award winner Ms. Sadhna Dhand and Mr. Madhukar Kosta Former Regional Manager at Food Corporation of India and a self taught artist.

Handmade Selfie frame, Vases, Sketches, Home decors, Paintings and what not ? A very clear definition of Art & Craft Exhibition has been put before all the visiting crowd. Beauty was enhanced by the combination of lush green environment and Colours all over the Exhibition area.

Visiting Parents, Authorities and Teachers left the place with glow on their faces which further gave assurance of Satisfaction and happiness to the students who were no less than the budding Artists, Experts of Tomorrow. The exhibition at display was fabulous to say the least. Well done teachers and our young artists.

Annual Sports Meet

The day when the brightonites were on their high, with all their energies they played and some of them WON. Sun was up in the sky and it was scorching and heating the sports field but it no way affected the spirits of sporty young crowd, Though we had only few winners on the ground at the end of an exhaustible day but it passed a message of "Teamwork" and " Acceptance of few failures" on ground and in life, take lessons and keep moving on, Achieve!

A short motivational speech was given by Managing Director, Mr. Abhiney Singh, students had all their attention on his words. The Motto behind the sports meet was to promote the sportsmanship and to encourage the enthusiastic minds and hearts, to bring up the non dying spirit among our learners at Brighton International school .

Smiles on the faces made the event Successful!

Science Exhibition

Students participated in Science Model Making activity. Aspiring minds exhibited their Scientific & Creative skills with active participation in the activity. Various Non-working as well as Working Models were made and presented by the students. Participants' efforts & dedication could be witnessed through various Models based on different concepts.

Health Week

A Healthy Mind stays in a healthy body, following the tradition Brighton began the New year with Health Week celebrations. A range of topics and activities were conducted to make students aware about the importance of keeping oneself healthy - Physically, Mentally and Spiritually.

The Health Week Concluded on 6 Jan 2018 with the Brighton's Annual Marathon. The message was Healthy Mind in a Healthy Body throughout the week which witnessed a mixture of events emphasizing the importance of Good Health. The event concluded with the hope that Brightonites will stay Calm as cucumber and healthy as an ox.

सच्चा मित्र

पल पल साथ हमेशा,
तू देना मेरा।।
सारी दुनिया छोटी है,
तू है सबसे बड़ा।।
सभी मेरे लिए अलग भांति,
तू ही मेरे सुख दुःख में साथी।।
कोई न दासी कोई न भगवान,
तू और मै हैं एक सामान।।
तू एक जोकर है,
मुझे हँसाने वाला।।
तू एक चोर है,
मेरे गम को चुराने वाला।।
तू वह है जो दर्द छीन लेता है,
और खुशियाँ भर देता है।।
मुसीबत में तू हाथ लेता थाम,
जरुरत हो तो कर देगा तू अपने प्राण दान
न है खोट नहीं कोई खराब चरित्र।।
हमेशा मेरी यादों में रहेगा,
तू मेरा मित्र।।

My Friends

My friends are very helpful,
And they are very careful.
They are always on time,
And never lying
They run very fast,
And never complete their work at last.
They are very silent,
And never went on any Island.
They are very fast in eating,
And never do cheating and beating.

मेरा प्यारा छत्तीसगढ़

हरी भरी वसुंधरा, धन धान्य से भरा हुआ
छः राज्यों के बीच, सुरक्षित खड़ा हुआ
1 नवम्बर 2000 को पाया इसने आकार
कर रहा प्रगति, तेज है रफ़्तार
धान का कटोरा, कहलाता मेरा राज्य है
बिजली उत्पादन में, इसका ही साम्राज्य है।।
इतिहास के पन्नों में भी, छत्तीसगढ़ का नाम है
कुटुम्बसर, चित्रकूट, सिरपुर, ये सब हमारी शान है
अरपा, पेरी, महानदी की, अमृतधारा बहती है
ओढ़ चुनरिया खुशहाली की, छत्तीसगढ़ मैय्या हँसती है
माँ दंतेश्वरी, बम्लेश्वरी की, छत्रछाया में पल रहा
छत्तीसगढ़ हमारा, निखर रहा, संवर रहा,
मैं छत्तीसगढ़ की वासी हूँ, यह मेरी पहचान है
मेरा छत्तीसगढ़ महान है, मेरा छत्तीसगढ़ महान है।।

Our choices

Our choices are same,
And they never play video game.
We always live happily,
And never go to school shabbily.
We all like to read books,
We always polish our shoes.
We are good at everything,
We all like to sing.
We write neat and clean,
And don't like to scream.
We all love to dance at rain,
And always eat grains,
We are scary of rats,
Always like to act.

Who Am I

When I see myself in front of a mirror
I always ask only one question that
Why I am, what I am doing,
What I'll do..
Then again I ask this question
Out then too no answer comes.
Sometimes I feel like I am nothing.
Everyone says that God has made
Everyone with some or other purpose.
I am waiting for the time when my
Heart will say something and
Answer my question.
Am I a question mark who is waiting for its answer?
My mom says I am her kid
My dad says I am his kid
My friends say that you are
Our friend but still no one
Tells me what actually I am?
Why I am, what will I do?
The question is still
Waiting for its answer to come.
My heart stopped and just said
I am.....

My Self

I have to live with myself and so
I want to be fit for myself to know,
I want to be able as days go by,
To look at myself straight in the eye.
I don't want to stand with the setting sun.
And hate myself for the things I've done.
I don't want to hide on a closet shelf
A lot of secrets about myself,
And fool myself as I come and go
Into thinking that nobody else will know
What kind of girl really I am,
I don't want to dress myself in shame.
I want to go with my head erect,
I want to deserve everyone's respect
And in this struggle for fame and respect
I want to be able to like myself.
I don't want to look at myself and know
That I am bluster and empty show
I cannot hide myself from me,
I can see what others can never see,
I know what others can never know,
I cannot fool myself, and so
Whatever happens, I want to be
Self- respecting and conscience free.

Journey of Class VIII B

Known to be 'the most innocent class among the three sections'
But wasn't so in reality,
The craziness was all between us.
I'll miss everything which we did altogether
The morning started with a big smile on Gitika Mam's face,
Which made us energize for the whole day.
We got punishment from her
But we considered her to be our second mom.
The memory of our fun, Our scolding , Our innocence , Our appreciation ,
And most important the gang of all the mad friends.
We all may not be there together all our life,
But we are always together with the memories.

Winter Season

Winter Season
Oh! It's winter,
Let's wear sweater.
We will have lots of fun,
Under the sun.
It's wonderful weather,
Let's play together.
We are free,
Let's decorate Christmas tree.
Lots of cake,
That mother will bake.
Gift colour may be red or magenta,
Let's wait for Santa.
Joy, happiness and kindness that Santa brings,
We should also spread as human-being.
