From Principal's Desk

Dear Children,

Welcome back to school after 570 days. Your presence was immensely missed through this long period. We all looked forward for the schools to reopen; attending school in person is as much as a momentous event for us as it is for you.

Your enthusiasm and eagerness towards attending real time classes is very much appreciated and we look forward to have a continuous face-to-face class room interaction. The social exposure that is derived is equally important as books and exams.

We ensure that these full time offline classes will lead to all around development and will prepare you for future endeavors aptly.

May you all have a fun filled life ahead.

Wish you and your family a Happy Dusherra and a great Diwali.

Warm Regards

Jayshree Nair

Independence Week Celebration

Independence Week Activity (A Letter to a Soldier)

"A TRUE SOLDIER FIGHTS NOT BECAUSE HE HATES WHAT IS IN FRONT OF HIM, BUT BECAUSE HE LOVES WHAT IS BEHIND HIM."

We all know that soldiers are our real heroes because they sacrifice staying in comfortable home, sacrifice being with their family, sacrifice delicious food cooked by their mother and most importantly they sacrifice their life for us and for our country. To express our gratitude to our super heroes- Our soldiers, a writing activity was held for the students of class IV and V on the topic – A Letter to a Soldier. The students wrote fantastic letters to the soldiers and thanked them in various ways. All the students participated excitedly.

Bookmark Making Activity

On the occasion of Independence week, our little artists of KG I showcased their talent by making tri-coloured bookmarks and expressed their love for the nation.

Classroom Discussion - Know Your Nation

To promote nationalistic fervour amongst the students, a classroom discussion on the topic "Know Your Nation" was organized for class II where the students enthusiastically expressed their thoughts for the nation. The students also created posters showcasing their knowledge about their nation.

Elocution-My Country

'Despite of the differences, our country is united in its diversity.'

An elocution on the topic 'My Country' was held for the students of class 1 to make them understand the varied culture and heritage of our country. Students took great pride in sharing the knowledge.

Colouring Competition

'Every child is an artist.' Keeping this in mind, in order to explore the potential of the young minds of our young artists, a Colouring Competition was conducted for Nursery to KGII during the Independence week. The kids showcased their colouring skills. This fun filled activity witnessed an enthusiastic participation by all the kids.

Colouring Competition- National Symbols

'When we respect our national symbols, we respect our country's sovereignty and its socio-cultural heritage.' Brightonites of class 1 enthusiastically participated in colouring competition. They felt very excited to colour the national symbols.

Poem Recitation Competition

"Poetry is simply the most beautiful, impressive and widely effective mode of saying things."

Hindi Poem Recitation Competition was organized for the students of class II. Students enthusiastically participated in the competition as they got an opportunity to exhibit their talent and confidence. The competition inspired the young poets to come forward and recite on the virtual platform.

Kavita Vaachan Pratiyogita

"दे सलामी इस तिरंगे को
जिस से तेरी शान है,
सर हमेशा ऊँचा रखना इसका,
जब तक दिल मे जान है।"

No nation can be strong if its citizens do not take pride in their identity, and Indians are natural at nationalism. Our young champs of KG II showcased their spirit of patriotism and nationalism by reciting patriotic poems on the auspicious occasion of the Independence Day.

Fancy Dress Competition

Fancy Dress is a child's first step to become confident. An online Fancy Dress Competition was held for kindergarten where the toddlers adopted the dresses of famous personalities and spoke about them. The toddlers really enjoyed this competition and were appreciated and motivated for their performance.

Identify National Symbols

It is a proud moment for everyone as we approached the 75th Independence Day on 15 August 2021. A week long activities were conducted online to impart the feeling of patriotism among the students. One such activity was 'identifying national symbols' for the students of KG-I. Such activities broaden kids' horizons and increase cultural literacy. Importance of national pride and sense of responsibility is developed within them.

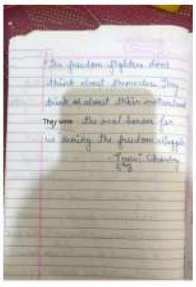

Paragraph Writing- The Unsung Freedom Fighters

"Many of the bravest are never known, and get no praise. But that does not lessen their beauty..."

India's independence movement was a series of historic events and sacrifices by thousands of freedom fighters. Undoubtedly Mahatma Gandhi, Jawahar Lal Nehru, Netaji Subhash Chandra Bose, Bhagat Singh, Rani Lakshmi Bai are amongst the famous freedom fighters whom we all know very well but there are some unsung heroes who played crucial role in India's freedom movement. While the country celebrates 75 years of its Independence, a paragraph writing activity on the topic "The Unsung Freedom Fighters" was conducted for the students of class V to offer humble tribute to the nameless and unsung heroes of freedom struggle. All the students participated with great zest and zeal.

Poem Recitation- Love for Nation

"No nation can be strong if its citizens do not take pride in their identity."

With this pleasant thought in mind, a patriotic poem recitation activity on the theme 'Love for Nation' was conducted for the students of class III. The students participated in the activity with great enthusiasm and exhibited the best of their talents and abilities. This activity helped the students to build self confidence, develop the oratory skills and enhance self expression.

Role Play - Patriotism

Not everything can be taught, there are lessons which become a part of our behaviour when learnt through different situations. The students of Class VII, VIII along with their family members presented role play on the theme 'Empathy' and 'Patriotism'. It was a pleasure to see the young brightonites conveying the message to be empathetic in different situations.

Slogan Writing Competition

Brightonites from Class VI to VIII participated in Slogan Writing Competition which was held during Independence Week. The students took a great pride in presenting their slogans along with beautiful pictures.

Poster Making Competition (Clean India, Green India)

"Sanitation should not be seen as a political tool, but should only be connected to patriotism and commitment to public health."

Cleanliness is very important whether it is our home, workplace, or public places. It is one of the very basic needs of a civilized lifestyle. Cleanliness is next to godliness. To evoke a sense of responsibility and a sense of belonging towards the nation it is extremely important to shape our young generation wisely so as to make them a responsible citizen, Poster Making competition was held for the students of Grade IX-XII on the theme "CLEAN INDIA GREEN INDIA". The students expressed their views and thoughts about Clean India by drawing, writing slogans and quotes. One could see and feel the enthusiasm that the students had in their presentation. It inspired them to think and work creatively in order to promote artistic excellence.

Poster Making Competition (Respect Your Nation)

A Poster Making Competition was conducted for the students of class VII, VIII. The theme of the competition was 'Respect the Nation'. Students were asked to express their ideas through painting and sketching. Their work not only expressed the respect but the great pride too for their nation.

Tag Making Activity

Tag Making activity was conducted during the Independence Week. Students from class IV came up with brilliant ideas and made tags on the topic "My Responsibilities' using different slogans and thoughts. This activity made the little Brightonites aware of their responsibilities towards their surroundings, country and planet.

Kindergarten

Animals Day

Animals Day role play indeed created a curiosity among the little ones as they were dressed up in different animal costumes such as cat, tiger, rabbit, mouse, etc and spoke about them. They were inquisitive and excited to see their classmates.

Circle Time-Importance of Animals

"Until one has loved an animal, a part of one's soul remains unawakened." Animals are the beauty of our nature and their behavioral responses are a source of inspiration for many. Our little munchkins shared their precious thoughts and views about importance of animals and they shared how animals help in maintaining a healthy ecological balance on the Earth.

Discussion on 'Save Water'

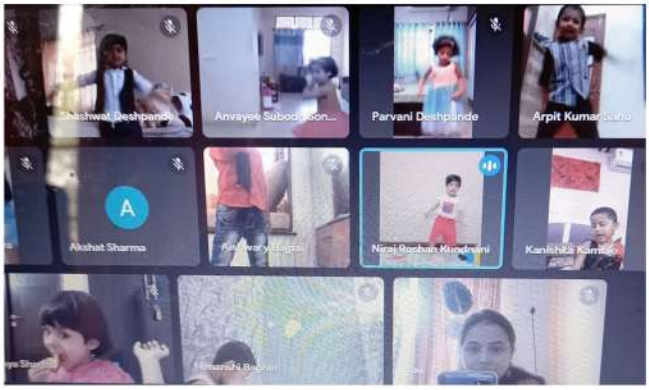

Water is the most important and valuable natural resource on the Earth. It's unfortunate that mankind has neglected this precious gift from God. But our young generation has understood it well in time and took a pledge to conserve water to save life and make Earth a better place to live in.

"Save water and it will save you."

Class Party

The class party which was on the virtual platform for the first time was unimaginable, unexpected and unbelievable but the memories which we cherished together as a class is surely unforgettable for lifetime.

The tiny tots of Nursery wore their best dress so did the teacher. Plates were filled with snacks and minds were full of excitement. Activities like- Treasure hunt, Musical dance, Talent show were conducted where each child showcased his/her talent through dance, storytelling and many more activities.

Colouring Activity

'First' things always have a special place in our lives and when it's about children, their each 'First action' always remain close to our heart, so does with their First Palm Printing Activity. Children dipped their hands in paints and created 'Flamingo' on paper as their First Superb Masterpiece .Needless to say Nursery parents are surely going to cherish their little munchkin's first palm printed card all their lives.

Let's Know Table Manners

Every meal serves an opportunity to the young kids to practice good table manners. From using their utensils properly to waiting until everyone has been served, little kids can learn and practice table manners. With the same motive, an activity 'Let's Know Table Manners' was conducted for the students of KG I where they displayed their table etiquettes.

Get-Set-Go! (Basic Manners)

'Manners' are the most important part of a child's upbringing and especially when we know that our tiny tots are at such a tender age where they are blank slates, whatever we write will last there forever and this is the correct time to sow the seeds of manner in their tiny minds.

Keeping this in mind, we conducted an activity Get-Set-Go! In which the tiny tots of Nursery shared their daily etiquette practice through speaking activity and the effect was really mesmerizing.

Puppet Show

Puppet show not only helps children to develop their fine motor skills but it is a great way to conserve our Indian heritage. Nursery children participated in the 'Puppet Show' and showed a great oratory skills.

Nature Talk

It is said that "Nothing can be compared to Nature's beauty." We admire the beauty of nature. This time it was a discussion with our toddlers on 'Nature'. They explained the importance of growing trees through a video. It was followed by an activity in which they had sown seeds. They watered their seeds and observed the germination of seeds for days and made a special bond with their newly grown saplings. The toddlers enjoyed this activity.

Tell a Tale Using Puppets

Children like stories and story means fun time and when it is done with the help of puppets, it's like cherry on the cake. Our tiny tots of KG II enjoyed this activity by learning how to make finger puppets and narrated stories using their handmade puppets. This activity enabled the students to be more creative and confident by enhancing their own imagination.

Role Play (Community Helpers)

A splendid online performance was put up by the tiny tots. The students showed their interest by performing a role play dressed as community helpers. This activity helped them in building confidence and respect for the people who make our lives easy with their vast services.

Show & Tell

Show and Tell activity was organized for Kindergarteners to strengthen their verbal skills. It enabled them to improve their descriptive skills by communicating feelings, thoughts and emotions with words. The students described their favourite toys, objects and drawings made by them.

Story Narration Activity

How proud it feels to watch young performers narrating stories with a moral! The kindergarteners left us mesmerized with their impressive performance. The activity enhanced their imagination.

Thanks Giving Day

The recommencement of online classes for Kindergarteners was done with the celebration of Thanksgiving Day. The students discussed about the uncountable blessings they have and should be thankful to the people around them. Our tiny masters made cards and crowns for the people and expressed their gratitude.

Thumb Printing

Thumb printing activity is an interesting way to paint something and give it a personal touch. On 24 April 2021, Nursery children explored a new world of fingerprint art by making a ' Green tree' out of Thumb printing.

Primary Wing

A Day Without Community Helpers

The presence and importance of community helpers around us is often unnoticed, unacknowledged but is indispensable. Their absence makes a huge difference. To sensitize the importance of the helpers around us, a speaking activity was conducted for students of class III to V. The children imagined life without them and shared their experience with their class teachers. It was amazing to hear the observation and sensitivity of the children.

A Day without Mother

Mother is the greatest blessing for a child by the God. The way she loves her children, no one else can. To make the young minds realize the same, a speaking activity was conducted on the topic 'A Day without Mother' for the students of class II. All the students shared their views and performed very well.

A Day Without Family

Family forms a salient part in our lives. Our family members are the ones who always stand beside us and support us. To promote the importance of family amongst our juveniles, an exciting speaking activity was conducted for the students of class II to IV on the topic 'A Day without Family'. The students had to imagine a day without the support and guidance of their family and convey the same through their speech.

Create a Story with Puppets or Toys

The art of storytelling is about bringing stories to life and puppets provide us with a great way to do that. For a joyful learning experience, our little storytellers from class I & II participated in the activity 'Create a Story with Puppets'. All the students presented their stories in a spectacular way.

Colouring Activity

"A single act of kindness throws out roots in all directions, the roots spring up and make new trees."

The colour of Kindness is only known by the heart. The little students of class I and II expressed their gesture of kindness through drawing and colouring activity, with immense pleasure, on the theme "Kindness Matters". They intended to shake the world in a gentle way.

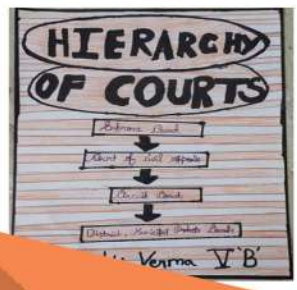

Emoji Making Activity

Show and Tell activity was organized for Kindergarteners to strengthen their verbal skills. It enabled them to improve their descriptive skills by communicating feelings, thoughts and emotions with words. The students described their favourite toys, objects and drawings made by them.

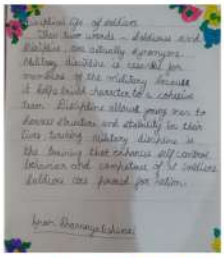

Flow chart Making (Understanding Hierarchy)

For the smooth functioning of any system, a hierarchy needs to be followed. Failing to do so might result into disorganised work or irregularity to work. With a view to make the students understand the structure of hierarchy in different areas of work, a flowchart making activity was held for the students of Class V.

Paragraph Writing (Disciplined Life of Players or Soldiers)

'Discipline is the bridge between goals and accomplishment'. With an objective to inspire the Brightonites to live a disciplined life, Brighton organised a paragraph writing activity for class IV, V on the topic 'Disciplined Life of Soldiers/Players'. Students not only wrote about the rules and regulations that soldiers/players follow but also about the challenges faced by them. The students expressed desire to inculcate the discipline followed by the soldiers/ players, in their own life too.

Paragraph Writing (My Love for Grandparents)

With an objective to inculcate the feeling of love and respect for grandparents, a paragraph writing activity on the topic 'My Love for Grandparents' was organized for class III in which the students expressed not only their love and respect for their grandparents but also shared the joyful moments they spend with them. The students participated with great zeal and enthusiasm.

Poem Recitation (Life of a Soldier)

One cannot emphasize enough on the importance of freedom fighters. After all, they are the ones because of whom we celebrate Independence Day. To insight the same respect and create awareness on the importance of freedom fighters in our students' heart, poem recitation on the topic 'Life of a Soldier' was conducted for class IV, V.

My Wish Tree

"The most fantastic and magical things happen only when you WISH." To experience the same, students of class 1 expressed their aspirations by making a wish tree. A step to understand self compassion, which reflected on almost every face.

Poster Making Activity (Heal the Earth)

Life wouldn't function without the necessities that the Earth provides for us. Children know that cutting trees or wasting resources can lead to end of life but they rarely understand the value of planting trees and practicing the 3 Rs. A "Poster Making Activity" was conducted for class III with a view to make the children understand about saving earth and motivate them to do their bit in healing the earth.

Role Play (Animals)

The little Brightonites from class I came up with some excellent inputs to express kindness and empathy towards animals through a Role Play, where they enacted as various animals and shared their knowledge about them. Students participated actively and got to explore the animal kingdom.

Role Play (Community Helpers)

Children learn the best by doing and not just watching. In order to enable students to know the importance of community helpers in our life a 'Role Play' activity was held for class 1 on the virtual platform. The students enjoyed the enactment using different props and displayed immense self confidence while narrating and enacting.

Slogan Writing Activity (Save Natural Resources)

"Environment is no one's property to destroy; it is everyone's responsibility to protect."

To make the students understand the importance and conservation of resources, slogan writing activity was conducted for the students of class IV. All the students participated enthusiastically to share their views and thoughts on the topic 'Save Resources'.

"A mother is someone who can take the place of all others but whose place no one else can take." Students of class I expressed their love and emotions for their mother. It was a pleasure to hear them.

Senior Wing

Be compassionate with yourself

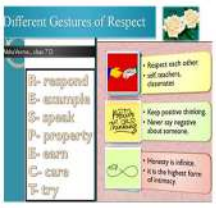

Being compassionate to others is necessary, have we ever been compassionate to ourselves? To explain the importance of being gentle, kind and understanding with oneself, accepting the fact that one is not perfect and understanding that there is a potential for learning and growth in every mistake one makes, a discussion was conducted for the students of class VI to VIII. The students were motivated to be compassionate with self as well as with others.

Banner Making Competition

"Real courage is doing the right thing when nobody's looking...."

The Independence we enjoy today is the hard work and sacrifice of many great freedom fighters, some renowned but many of them are not known, to make our Brightonites aware about those personalities, Banner Making competition was held for the students of class IX – XII with the theme "The Unsung FREEDOM FIGHTERS". The objective of the competition was to ignite the fire of imagination and creativity in the students. Students were asked to express their ideas through Paintings and sketches. The young Brightionites displayed their artistic skills through an array of Banners.

Acrostic Poem Writing Competition

A Poem writing competition was conducted for class VI. The students were challenged to write on the theme 'Respect' It was a fun filled activity as they wrote short and meaningful poems.

Extempore - Speech is power : Speech is to persuade, To convert, to compel

Extempore is intended to reveal a competitor's ability to develop a point of view on a general topic and to deliver an impromptu speech within limited preparation time. Brighton International always thrives to cater to the all-round development of their students. The main focus of the school has always been on improving the Soft Skills amongst the students. With this intention in mind Extempore Competition was held for the students of Class IX –XII. The objective of the competition was to make the students confident and better orators so that they can fearlessly express their views on any topic. The participants delivered their speeches with great confidence and left no stone unturned to give in their best on the topic. This activity helped to imbue the true spirit of learning and enhance effective communication skills.

Poem Writing Competition

"Poetry is when an emotion has found its thought and the thought has found words" - Robert Frost

The advent of Independence Day fills the air with patriotic fervour and love for the nation. As a part of Independence week activities Poem Writing Competition was conducted for the students of Grade IX – XII. Writing a rhythmic poem or a melodious song is the best way to express oneself. All students wrote poems on the topic PARTOTISM their talent and confidence was uplifted as they went on to pen down their innovative ideas which further enhanced their thinking and learning skills. The poems reflected their love for nation in their beautiful self woven verses that displayed their thoughts. The competition certainly went a long way in boosting the student's feeling & presenting skills.

Students came up with unique, innovative and colourful ideas and expressed their thoughts of kindness in the form of amazing posters.

Other Activities

Picture Reading Activity

Little minds are full of imagination. And when the children get familiar with sounds, words and language, it is a joy for them to create their own stories. Picture Reading Activity was organised for KG-1 to support the development of early literacy skills, observation skills, visual thinking and analysing power. It was fun to hear little ones spilling their imagination out.

Learn with Fun (No Bag Day)

12 August 2021 was 'No Bag Day' when Nursery kiddos were eagerly waiting for their teacher wondering how and what was she going to teach them without books? And so did the teacher.

It was a fun filled day. The little champs participated in many activities like 'Find me something', 'Simon Says' and 'Guess the picture' where each child had to draw something and rest of the students had to identify the picture and sound.

Children learnt so many things without books which was a big achievement of this activity.

Discussion (Save Natural Resources)

Natural resources form an indispensable part of our lives. However, we exploit them for our economic gain. The resources which are free of cost are misused and we do not realize their value. A classroom discussion was held for the students of class I and II which helped them to know about the depletion of the natural resources due to overuse and they came up with the ways to save them.

Nature Walk

'Nature' itself means beauty and 'Nature Walk' means observing the environment with all the senses. The toddlers enjoyed this activity by watching a short story, in which they learned to focus their attention and get aware of things around them. It was a peaceful and reflective experience for the toddlers.

Discussion (Importance of Discipline)

Being at home for more than a year has definitely left a great impact on discipline in students' life. In order to make the students understand how important it is to live a disciplined life, a discussion on Importance of Discipline was conducted for class IV & V. Students got more time to learn new things as living a disciplined life helps in time management.

Extempore

Our young performers showcased their speaking skills, flow of thoughts and the way of presenting ideas through Extempore. It takes a great deal of courage to speak on the topic which is given on the spot to the students of class III and they performed outstandingly well.

Discussion (The 3 R's)

A thought provoking classroom discussion was done on the waste hierarchy which consists of- Reduce, Reuse and Recycle. Students of class III & IV discussed about the order of priority of actions to be taken to reduce the amount of waste generation and to improve overall waste management. They all participated with great zeal and enthusiasm.

Quiz

'If you have knowledge, let others light their candles in it.'

Brighton International School celebrated Independence week to honour and respect the struggle of our great freedom fighters. This was done with various activities one of which was online quiz for class IV and V. The quiz was based on India's culture, famous personalities, freedom fighters and famous monuments. The students participated enthusiastically.

Elocution

"Better than a thousand hollow words, is one word that brings peace" -Buddha

"Use and Abuse of Language" was the topic of Elocution for the students of Class VI. The students brilliantly put forward their thoughts with proper intonation and expressions. It was a pleasure to listen the young Brightonites expressing their views on the given topic with a great sense of understanding. The students of Class VII and VIII reflected their understanding of the same through a writing activity too.

Debate

"Debate is a creative expression of a person's opinion or a perspective on an issue." To develop creative expression and flesh out the different sides of an argument a debate competition on topic **'Respect is earned not begged'** was organized for the students of class VI, students presented their views FOR and AGAINST the given topic.

Classroom Discussion (Explore India)

The students of class 1 with their curious little minds participated in the discussion on 'Explore India' with their teacher with lot of excitement and inquisitiveness. Good questions are the key to a productive discussion and our teachers started with the same. Through this activity the students truly developed a deep respect for the country and it made them feel proud to be an Indian. For the better understanding, a quiz was also conducted for the students.

Quizzy Quiz

"To know that we know what we know, and to know that we do not know, that is true knowledge"

An interesting and informative quiz was conducted for the students of class VII. This knowledge enhancing quiz included current affairs and was enjoyed enthusiastically by everyone.

Extempore

"The Thrifty June" was the theme for the month and the students of Class VI to VIII through the topics given in the extempore proved that they took the theme in the right spirit. Their speech reflected their understanding about various topics. It was immense satisfaction hearing the young minds expressing their thoughts on being thrifty in different areas of life.

Shape your behaviour

"Our attitude and habits shape our behaviour; the behaviour defines our personality."

An activity was planned for students to self-analyze their behaviour. A sheet was shared with students where they had to mark an honest response for the given statements. It was amazing to know that students accepted that few of their habits were not appropriate and they even came up with the ideas to improve.

Group Discussion

A group discussion on the topic **'Everything and Everyone Deserves Respect'** was conducted for the students of class VI. The purpose of group discussion was not to win an argument or to amuse others but to help each other to explore and discover personal meanings of 'respect' through interaction with each other. The students actively participated and enjoyed the activity.

Story Writing Activity

'Let your imagination run wild'. With this initiative to groom our budding litterateur and to contribute in building their talent "Online Story Writing" activity was conducted for the students of IX to XII. Their distinctive styles, and the voices of the character enthralled the readers.

SWOT Analysis

"Discipline is a bridge between goals and accomplishment."

The month of July is planned to be 'Disciplined July for the Brightionites. Discipline is one of the most important personality traits in everyone's life. The role of discipline in our life is to set orderliness, efficiency, punctuality, organization, and focus on our tasks. As a part of it, SWOT analysis was done for the students of class IX to XII. A SWOT analysis is a way of understanding the Strengths and Weaknesses of one's self, the Opportunities that might be available; and the Threats that they might face. The budding students made an analysis of them by using SWOT. This activity allowed the students to identify their goals, to acknowledge the various ways to reach them, to face the hitches and overcome them in their path of reaching their goal. Finally it gives them the ability to be a proactive player in this competitive world.

Elocution

Admiration comes easy to a person who is endowed with fine art of public speaking , who adorns common thoughts with the grace of , elocution and elegance of style. To inflate the art of giving power to the words 'Online Elocution Activity' was conducted for the students of class IX to XII on the topic ' Misuse of Technology'. Although the activity was held Online, it allowed the students to connect with the audience .

Paragraph Writing Competition

"Self discipline is doing what needs to be done when it needs to be done, even when you don't feel like doing it

'DISCIPLINE' is the striking feature that Brighton always gives to its students; we never miss the track in motivating our students to be disciplined. Even in this pandemic situation also we always drive our Brightonites to be punctual and sincere towards their work. The month of July is framed on the theme 'DISCIPLINE'. As a part of Saturday activity and to bring out the creative expression of the students and also to gauge their awareness quotient, Paragraph Writing on the topic (IS FOCUS A CHALLENGE FOR REAL HEROES) was conducted for the students of Grade IX to XII. Students expressed their views of being focused accompanied with self-discipline towards goals and working on it will definitely lead to success. This activity indirectly helped them to be more channelized and focused towards their aim and the obstacles in their journey can be overcome through discipline.

SOP Writing Activity

"Definiteness of purpose is the starting point of all achievement".

Purpose is an intention or objective to achieve goals. Having a purpose in life is one of the fundamental factors of happiness, without it, life is less focused, less efficient and it creates restlessness and stressed because we don't feel aligned with the things we do. To make the students understand this fact, SOP (Statement of Purpose), writing activity is conducted for students of Grade IX to XII. Students took active participation by presenting their SOP that consists of introductory part, achievements acquired, and their vision to reach their goals. This activity helped them to know 'Where they stand', what is the purpose to opt a particular stream that helps them design and plan for a successful career.

Students' Corner-English

Water is life

Water is very important for our life. We need water for everything. Rain is a natural source of water. Water is limited so we should use it wisely. We should always conserve water. I save water in the following ways:

1. I take water in a glass for brushing my teeth.
2. I use a bucket of water for bathing.
3. I use watering-can for watering the plants.

Save Water , Save Life.

Anika Gupta - Class - II 'F'

Sky Sky Sky
That's very high
Sky is blue
That's very true.
The sky is grey
When clouds block their way
I love the sky in day,
as we can see the way

Gaurvi Dwivedi, Class V 'A'

My Imagination

Flowers are blooming,
Sky is blue,
Wind is blowing,
What a lovely view.

Sea is roaring,
Mountains are calling,
Palm tree is divine,
What a lovely sunshine.

Birds are singing,
Girl is dancing,
On splendour of grass,
To the song of nature.

SELF-MANAGEMENT–THE NEED OF THE HOUR

One of the most crucial and significant aspects of life, Self-management refers to the practice of managing and organizing one's tasks and duties to accomplish a pre-determined goal. Self-management is a medium through which one can improvise, intensify and progress as it allows one to organize his or her duties, inspect the imperfections, blemishes, and flaws in oneself, and attain proficiency and excellence in a particular field. Without self-management, competence and effectiveness in any task are genuinely unattainable. Self-management is a skill that can be attained, practiced, and mastered just like any other skill. For attaining the skill of self-management, one must ensure that he or she has set a specific and realistic goal or aim in life because, without an aim, life seems rootless. After inculcating an attainable and realistic goal, one must make oneself prepared and assembled and should then analyse and evaluate the necessary steps and measures to be taken for the attainment of the respective goals. Self-management requires one to be determined, dynamic and ardent for accomplishing one's goals and ambitions. Working industriously and vigilantly is an indispensable component of self-management. For achieving adroitness in this skill, one must incorporate the practice of being punctual and time-conscious because time is the most treasurable wealth and for the accomplishment of one's goals and aims, time-management is an imperative and paramount necessity. Procrastination of one's tasks is the most conventional and quotidian hindrance which is considered to be a negative and an unhealthy attitude. Self-management requires one to evade and elude the practice of procrastinating one's tasks due to indolence or apathy. Being lethargic and slothful is the most troublesome attitude and self-management requires it to be evaded. Self-management is an enthralling skill that requires one to be optimistic, sanguine, and courageous so that the hearts are steadfast and they withstand & confront the emergence of tribulations and adversities. A pessimistic attitude is menacing and is a devastating element of life and Self-management recommends one not to be cynical even if anguish and affliction escort you. Self-management requires one to be highly ardent, committed, and a passionate workaholic to blossom and rise progressively. The maintenance of tidiness, grooming, and having a neat, clean and presentable appearance is an alluring and enthralling feature of self-management. Therefore versatility and expertise in self-management is the absolute way through which one can thrive, flourish and prosper in any profession.

Compassion Leads to Contentment

It was an extremely auspicious and propitious cloudy day characterized by cold breeze and scarce sunlight. This day was significantly important for me as my school had organized an excursion to the "Jungle Safari" which was an open natural area studded with greenery and wildlife. Naturally, I was extremely agog with enthusiasm to reach the school as early as possible. After arriving at the school, all the students were instructed to move to the school bus peacefully. All the students of class IX along with a handful of teachers and guides sat in the bus and we began the journey excitedly and cheerfully. We screamed joyously when the bus stopped at our destination. I could notice a wide smile on everyone's face including mine. It was a three-day tour and the first day was very enthralling and peaceful. But as luck would have it, immense trouble began just the next day. On the second day, We all woke up when the first ray of sunlight abandoned the darkness and it was dawn. When we went to explore the forest and to enjoy the beautiful sight of the wildlife, a group of students with no teacher split from the rest of the group accidentally. I was also a member of the group that split. We all were aghast to find ourselves in an unknown area with large and ancient trees all around. Suddenly, we heard the sound of a trumpet and were dumbfounded to see a huge elephant with dark grey skin, eyes filled with wrath, and a horrific wound on its trunk. The elephant seemed furious and displeased. When it walked, all those ancient and large trees were devastated. It took us almost seconds to collect our senses to comprehend the entire situation. It seemed to us that our lives were in danger if we stayed there for long. But, seeing the elephant's horrific wound my heart melted and the elephant's trouble compelled me to help it out. However, none of my comrades supported me as they were utterly perplexed in that circumstance. Fortunately, I saw a dozen of bananas and threw them in front of the elephant. As I willed, the elephant was busy enjoying his delicious meal and I jumped onto its back seeking help from a wooden ladder. I slowly moved ahead and reached the area of the wound that was deeply troubling the elephant. I was carrying a first-aid box and cleaned the wound through cotton swabs and applied an antiseptic ointment on the affected area and properly covered it with a neat bandage. I jumped onto the floor and was just about to go but the elephant trumpeted and I stopped wondering that it would thank me. The same happened but in a very interesting way. The elephant happily made me climb onto its back and helped me to reach my destination where I accidentally split from my group. It was for the first time in my life, Experiencing an Elephant round. It was the merriest ride of my life. When I reached my destination, all my friends including those who had fled leaving me and the elephant alone, clapped joyously. I had the feeling of a victorious queen who had arrived at her palace after conquering a large neighbouring territory. I narrated the entire story in front of everyone and all appreciated my bravery, compassion, and altruistic nature for the helpless elephant. It was an astounding expedition indeed and I still have the photograph of me sitting on the elephant's back as a testament of good deeds.

The Value of 371

I recently saw one guy who was praising Indian states for such an amazing donation towards Assam care funds in a foundation's community post. People there liked his comment but there were some guys, bullying the fellow Assami and addressing their looks like Chinese. It's a disgrace as this is a birth privilege given to them just to ensure their ethnicity. Those regions are always liable to floods, which is the reason for their poor economic growth than other regions. Not only Assam but states like Nagaland are also mistreated based on their looks. This isn't their choice to have a birth in such regions which makes a difference in our skin tone and their skin tone. Everyone is beautiful and has some beautiful facial features in them. Some might have good values whereas some might have some physical abilities where sometimes even we fail to do so. Their culture has to be respected as they do ours. In a democratic country like India, there are more good people than bad people. This resulted that the account used by the guy who was trying to tyrannize the fellow Assami got banned due to not maintaining the community regulations. This shows that it is not the type of people who make India, it rather is the value embedded in people who make India.

Social Challenges in Times of Covid-19

The turn of 2020 brought with it a deadly worldwide pandemic and a plethora of dire consequences. Ever since the deadly corona virus hit the world, everything has turned upside-down. Perhaps nothing has been as profoundly affected as the socio-economic scenario in the country. With the onset of quarantine, all private and public sectors were closed, schools, colleges, and universities went completely online, and only the necessary commodities such as grocery shops, hospitals, and pharmacies were saved from quarantine. This nationwide quarantine has not spared the lives and livelihood of any individual. One of the biggest crisis was the loss of jobs and inflating unemployment. The social class that suffered most is the lower working-class and labourers with no means of livelihood and no security in this moment of crisis.. Since schools and colleges went online the quality of education also diminished and adversely affected the mental stability and career of the students. There are the major difficulties that our country is facing owing to the covid-19 crisis. However these challenges have not stopped people from thriving, despite demotivating them for some time people have only risen stronger, people have found alternative ways to continue their lives and livelihood during the pandemic and ensure their lives as before.

Be Trustworthy

Listen With CURIOSITY,
Speak With HONESTY,
Act With INTEGRITY,
BE TRUSTWORTHY.

Trust is something without which no one can have a perfect talk, neither with friends nor with family. A person is trustworthy when he gets a special chance to be relied upon by anyone. Integrity is the quality of having strong moral principles and is considered the highlight of a respectable person. It's not an easy task to be an ethical person, but, for that, we need to be honest with each one we meet. Today we have a shortlist of trustful people as compared to before but what is to be highlighted is that our names are not removed at any cost. Integrity makes a tight bond between people as well as animals because few animals are trustier than people. A true person takes responsibility for all actions, respects everyone who deserves their respect, is kind in nature and generally very reliable. These people are usually confident about the work they do. One of the reasons for the success of few eminent personalities such as Mahatma Gandhi and Abraham Lincoln includes the principles of integrity. Therefore, the citizens have to adopt the principles of trustworthiness to make the country victorious.

COVID Lessons

I feel the rhythm of the gentle breeze around
I hear the sound of chattering rain behind
On this beautiful autumn morning
I see the power of the creator blushing
Man is the king and crown of everything
He has the capability of doing anything
He is proud of his mighty power
But I realize his weakness at this hour
With his great scientific findings
He tried to do many things
He thinks the world is at his fingertips
But corona shattered and smashed his dreams
Pride and power, everything is in vain
Corona created great frustration
Utter pain he finds everywhere
The solution he needs is nowhere
Corona is invisible to our naked eyes
Yet troubling the entire humankind
It taught us to value our lives
It made us care for all at all times
Let us fight together again it
Then we shall overcome it
Let us break the chain together
May God bless us to live together

The feeling of getting lost in a book

'Today was a gratifying winter morning, my homework calling out to me But oh, was it a pity

When an alternate universe caught my eye There lying, was a book and I wondered

In my hands how wonderful it would look, and to choose between was a perplexing dilemma all right for I could read day and night

I gave in to my desires

And sat on a chair, near the warm fire.

I opened the book and dove in

right where I left , when last night I stayed in I fought vicious beasts ,had might feasts

The day had been just rad, though it felt like myriads

I had felt every feel,

be it angry , scared , sad or happy

In the mystical land, wonderful friends I made and till the very end, together we stayed

I was pulled from my merry trance by a happy dance

of the sparrow on my windowsill,

Alas! I was back to the living's land

and it pinched me, how everything stood still.

"Life in Corona"

It never happened to be any time before, the Country's lockdown days increasing more and more.

The fear of the Corona Virus merely spread, However, something good can also be extracted.

Road accidents finally came to an end,

Rivals also become each others' friends.

No robbery, no outings,

The lockdown only granted family gatherings.

Housemaids were also restricted,

But the social media taboos briskly rotated.

Once in a blue moon, all the fathers got holidays,

"No one has to work" PM says

Children are enjoying the days without studying;
Unfortunately, the effect of Covid is increasing.

The choice is yours, no one will tease

Whether you rest at home or rest in peace.

Tanishka Chakraborty, X 'B'

Nothing is impossible

It's us who tell ourselves

That this is unachievable

Dreaming big was never a crime

Dreams are meant to be surreal

And it's all fine

Telling yourself that you cannot do it

Before even getting started

Leaves you feeling blue and disheartened

We become the kidnappers of our dreams by saying that it's not possible

Just change your perspective and say 'nothing is impossible' because your success is inevitable.

I am a boy
Who was forced to stay inside,
I can't go outside to play,
I can't go to school,
I can't go to the park.
I am a boy
Who likes to disobey the rules,
I can't bear to watch movies anymore,
I can't bear to stay at home anymore,
I can't bear to stay a hostage anymore.
I am a boy
Who fights for my desire,
I got to free myself,
I go out to see my friends,
I go out to see people outside.
I am a boy
Who did not know what is right and wrong,
I didn't know I would be in trouble,
I didn't know the danger awaits,
I don't know how the virus got me.
I am a boy
Who is walking in sorrow,
I felt regret and grievous,
I felt the pain that others feel,
I felt tears in my eyes.
I am a boy
Who is waiting for the doctor,
I believe what was dealt,
I believe I could make it,
I believe the feeling that I felt.
I am a boy
Who needs a cure and hope to end the pandemic,
I sense my grip became feeble,
I sense my hope I lost,
I sense I would never wake up from this sleep...

KM CARIAPPA

Field Marshal Kodandera Madappa Cariappa, the first Indian Commander-in-Chief of Independent India. Kodandera Madappa Cariappa is a man known for many fights, but most significantly, he is known as the man who took charge of the Indian Army from its last British Commander – in -Chief General Sir Roy Bucher, in 1949. In 1947, Cariappa, one of the two Indians to go to the UK for a training course at the Imperial Defence College. In 1951, owing to his efforts in improving Indo-US relations, US president Harry Truman conferred on his order of the Chief Commander of the Legion of Merit - the first ever award of its kind given to an Indian General. In 1953, he retired from the Indian Army and served as High Commissioner to Australia and New Zealand till 1956,

After his retirement from the Indian Army,he was made the high Commissioner. In 1983, he was given the title of the Field Marshal (five star), the highest honour in the Indian Army.

The title has been conferred only twice so far-to Cariappaand to Sam Manekshaw in 1973. Field Marshal KM Cariappa took his last breath on 15 May 1993, in Bangalore.

The Covid Dream

It was a sunny afternoon when I came back home from my school. In the evening that day, I sensed that my parents were panicking and there was a news that schools, offices and other places would be closed due to a new disease. The first few days seemed to be really good as I was having a nice vacation time. But slowly I started missing my offline classes, friends, teachers and all the fun.

I felt as if someone splashed cold water on my face and it was my mom who was yelling at me that you're getting late for school, your bus will leave. I was filled with excitement and joy as I woke up and realized it was nothing but a bad dream.

"This COVID-19 pandemic too shall end just like my bad dream. We will once again go to our schools. But till then we must wear our masks and take the vaccine doses. Missing my school!"

How much sorrow can I take, blackbird on my shoulder?
With the weight of the veil, I put out for the world,
how do I fight with my ghost?
They say 'It always hurts to have and
lose than to not have it in the first place.'
It does. More than ever now.
The forest is fogged, but I can see my unanchored ship,
straying directionless in the sea.
Flag at half-mast, I can no more hide from it.
Breathing out the freezing air, I mumble all the prayers
I had learned when I was younger.
It's the longest night of this winter, the raven sits above me.
I'd freeze to death, I know,
Yet I keep mumbling things to myself and–
I fall asleep, the way kids do when they're afraid of the night.
The next morning, I see a swallow flying past me.
The edges of my lips curl up to form what seems like –
A smile, Scarcely there. Almost invisible, But there.
I see the first snowflake melting. I knew,now :
The winter would end, slowly but soon.
It was the first day of spring,
Under the bedrock of the swiftly flowing river,
I saw a plant of night jasmine, trying to survive, just like me.
I tucked it behind my ear, and smiled,
The sparkling clean water reflected back
the widest smile I had ever seen.

You are Bored, but it's BOARD

Our morning starts with mother's wake up,
And we start our day by making ourselves up;
We commence our routine from Google Classroom
That's all we can do sitting after the groom.
The backgrounds are selected, with most care
Thinking now and then, the teacher would be here.
Then English and science and ferocious math
All children are bored and start to nap.

Missing our friends and school fun time,
But now actually it's youtube's time;
Swiftly the teacher asks, "where are you, dear?"
Then minds of students are filled with fear!
Then the chat box comes up as a solution.
Ma'am network doesn't work or power cut situation;
Daily the same excuse the teacher asks,
Why do so? Complete your tasks.

But sometimes, actually, the connection is bad.
Then all who's responsible is our dad.
Digitally interacting with teachers and buddies,
I am glad we are not lagged in our studies.
Finally, it ends at twelve forty-five
And feels as we are just saved from the hive.
But grades in Board matters a lot,
That makes us study and fill the slot.
She deserves good marks and a
bright future from us,
We should not consider them a 'fuss'
I heard her exclaim that it will be all right,
She only wants us to win this fight.
So never play YouTube or other games,
As this would destroy your name and fame.
Enjoy your studies with a very full pack
As this time would never come back!!

Ram's Strong Visual Power

There was a man who possessed a strong visual power. His name was Ram. He could see through walls and body parts. He became popular and helped doctors. Few people were jealous and other few people praised him. Both types of people feared him. People who were jealous, went to a witch's house and asked for a great visual power than Ram. The witch asked for the things those people hold dear. In order to possess the strong visual power those jealous people gave everything that they hold dear. A man gave his whole house to possess the visual power, another man gave his food and money and the last man gave his knowledge. The first man was shivering in the cold without shelter, the second man was starving and didn't have money to buy food the third man could not understand anything because he didn't have knowledge. Ram suddenly saw the three people and helped them. The three people realised their mistake and vowed to be happy with what they got.

Moral-We should be happy with what we have.

Where do the fish go,
When the monsoon
Thunders on the water,
And the foam churns
Like milk?

Where do the birds hide,
When the trees fall,
In high winds, And all the fruit
Lies everywhere,
On field and ground?

Where do people run,
When the rain comes,
Through the thatch,
And the floods creep in
on them Like thieves?

Artificial Intelligence

"Hey Alexa, what's the time?", you might have heard such sentence and many of you might have spoken too. We all know what Alexa is but how does it work, how can she know the time, weather etc. She is artificially intelligent. When we hear the word 'Artificial Intelligence', what's the first thing that comes to our mind? Robots! Actually, robots are an example of artificial intelligence which may be any machinery reflecting the human qualities or activities. Thus, artificial intelligence can be said the relation between machinery and humans. There are lots of machineries around us other than robots which are artificially intelligent like the Alexa, robotic mop etc. For instance, YouTube recommends the videos that you often watch or prefer, how does it have the sense what you want to watch? Does it have a brain, memory? Actually, it is artificially intelligent and its programming is done in a way through which it can think, memorize and gives out the recommendations that we want or prefer to watch. Artificial Intelligence has its own advantages and disadvantages just like any other thing. It helps us in recreating human decision made with sophistication or more advanced technologies. It helps in making our daily life much easier than an ordinary one. Technology is a good servant but a harmful master and thus, Artificial Intelligence can be considered ruthless if not used properly. We may lose our privacy and may become completely dependent on these humanoid machineries as a result forgetting their own responsibilities and hard work towards themselves. If we talk about robots, we all know that they can act, talk and perform the activities like humans. One of the examples is Robot Sophia created by David Hanson activated on February 14, 2016. Our country, India has also got its robots named Manav and Shalu. Manav is invented by Diwakar Vaish and is India's first humanoid robot created by Dinesh Kunwar Patel, Shalu is a robot which can speak forty-seven different languages which includes nine Indian regional languages and thirty-eight foreign languages. All this was about present, in the upcoming future, technology would be more advanced and artificially intelligent humanoids will be more often available. Also, the drawbacks for now will get a solution, like the price, materials required in it, need for a professional lab etc.

'Technology has reached to a height where we can create things which are just like us.'

Markets and Tactics

Market is a very essential place for consumers. It is useful in different ways for our lives too. Over the years, market and its buying patterns have changed considerably. Nowadays, the merchants use smarter ways to increase customer's interest in buying items. One of these ways is music. The managers often use calm and peaceful music in supermarkets. The reason for this is that many a times, it is observed that people tend to buy more items when listening to calm and relaxing music, even if they were distressed while entering and were planning to grab just one thing. However, if noisy and irritating music is played, the person starts getting stressed and eventually exits the market, even if they were calm while entering.

Even in my family, when we head to the market, we plan to buy just some items and snacks. Though, we always end up buying a lot of extra items, which are just a want, and not a need.

This change in the marketing strategies of people is economically very profitable for the merchants, but for the public, it's not good for their diet/ savings.

But, overall, it is a nice change for the economy. And well, for the general public, sometimes spending money rather than saving it also turns out to be good.

Dare to Dream!!!

Close your eyes and let
Your imagination fly away.
See a picture of where
You wish to be one day.

Let the colours of your
Heart take command
To point the picture of your
Dream and place it in your hand.

Hold on tightly and nurture it,
But allow it room to grow.
When you reach your dream,
Open your hand and let it go.

Close your eyes and search for
Another, caring for it as before.
Never stop searching, achieving and
Letting go, for that what dreams are for.

Prize of Hard - Work

Mayur saw an old man, a seller of second -hand shoes. Mayur wanted to buy a good pair of shoes for himself, but he did not have money to buy those shoes. So, he got an idea that he can buy those shoes by helping the shopkeeper of the shop in selling the shoes. When Mayur offered to help, the shopkeeper was extremely jubilant. Fortunately, a man was walking down the street and he saw that Mayur was helping the shopkeeper and he is working so hard to sell the shoes. So, he called all his neighbours to show the kindness and the sedulous work of Mayur. On seeing this, they all decided to buy a pair of shoes. Mayur and the shopkeeper were very busy in selling the shoes, when they looked up there was a crowd of people and they were amazed. Mayur was very thankful to everyone. When the shopkeeper started counting his revenue he was surprised. In return the shopkeeper gifted Mayur the pair of shoes which he wanted. Mayur was very happy to receive it. After few months, when Mayur went to the same place again he was shocked! The small shop had become a popular and a big shopping centre. He was very much delighted and went to his home happily.

मेरी कहानी 2020 की

आओ सुनाऊँ तुमको 2020 की कहानी, न नाना ने कहा न नानी से जानी।
स्कूल जा रहे थे हम, जन्मदिन भी मना रहे थे हम।
कभी-कभी खाना भी बाहर खाते थे, दोस्तों को बुलाते और उनके घर भी जाते थे।
परीक्षा खत्म होने के बाद की योजनायें थीं, चाचा की शादी में खानी रसमलाई थी।
पर एक ऐसा भयानक दिन आया...
सुबह उठने पर स्कूल, बाजार, ट्रेन सबको बंद पाया।
वो देखो नाचता-गाता विदेश से कोरोना नाम का विषाणु आया।
निकलना हो गया है सबका बंद...
कई महीनों से सब उदास हैं, मुह पर सबके मास्क है।
स्कूल हमको आना है, मैडम के संग गाना पढ़ाई का गाना है।

सच्चा उपहार.....

यह कहानी दो दोस्तों की है। उनका नाम था राहुल और कुणाल। राहुल को महंगी चीजें बहुत पसंद थी। राहुल का जन्मदिन आया। कुणाल ने अपनी बचत के पैसों से अपने प्रिय मित्र के लिए छोटा सा उपहार खरीदा जो कि बहुत कीमती नहीं था पर उसमें कुणाल का प्रेम समाया था। कुणाल ने राहुल के जन्मदिन हेतु पवन झंकार (विंड चाइम) खरीद लिया और वह उपहार राहुल को दिया। लेकिन राहुल ने उसके उपहार की उपेक्षा की क्योंकि उसे वह अन्य उपहारों की तुलना में बहुत सस्ता लगा। राहुल उदास हो गया परंतु उसने अपनी मां के कहने पर पवन झंकार को अपने कमरे की खिड़की पर लटका दिया। कुणाल के पापा का ट्रांसफर हो गया और वह दिल्ली में रहने लगा। कुछ महीनों के बाद राहुल की तबियत अचानक खराब हो गई। राहुल को खिड़की पर लगे पवन झंकार की आवाज बहुत अच्छी लगती थी। धीरे-धीरे राहुल ठीक होने लगा और एक दिन वह पूरी तरह स्वस्थ हो गया, उस दिन राहुल को अपनी गलती का अहसास हुआ और उसने कुणाल को फोन करके अपनी गलती के लिए माफी मांगी, जिस पर कुणाल ने उसे खुशी-खुशी माफ कर दिया। उस दिन राहुल को एक बात अच्छे से समझ में आ गई कि "सबसे कीमती उपहार दोस्ती है और दोस्ती से बड़ा कोई उपहार नहीं होता''।

बस अब और नहीं-प्रदूषण

हे स्वार्थी मानव!
अगर बचाना है अपना जीवन,
वातावरण को तू शुद्ध बना,
और बंद कर ये प्रदूषण।
जल ही सबको जीवन देता,
धरती को उपजाऊ बनाता,
फिर भी मानव इस अमृत को,
क्यों दूषित है करता जाता?
बस अब और नहीं ये और नहीं!
आओ हम यह शपथ उठाएँ,
प्रदूषण को दूर भगाएँ,
निर्मल, पावन धरा बनाएँ,
वृक्ष बचाएँ, वृक्ष लगाएँ।
पर्यावरण को दूषित कर,
स्वस्थ नहीं रह पाओगे!
स्वच्छ हवा को प्रदूषित कर,
घुट-घुट कर मर जाओगे!
बस अब और नहीं ये और नहीं!
प्रदूषण को दूर करो,
धरती माँ को हँसने दो!
ऑक्सीजन की कमी से,
अपनों को न मरने दो।
बस अब और नहीं ये और नहीं!

शिक्षक : हमारे कोरोना योद्धा

एक छोटे से वायरस के आगे कितने हम मजबूर हो गए,
घर में बंद बैठे हैं हम, सारी दुनिया से दूर हो गए।
बंद हुई मौज मस्ती सारी, खेलकूद भी छूट गए,
बंद हो गए सैर सपाटे, कहीं जाना भी हम भूल गए।
मास्क लगाओ हाथ धो, हर चीज़ साफ करो,
बीमारी के डर से हम घर से निकलना भूल गए।
स्कूल हो गए बंद पर पढ़ाई हमारी जारी है,
कोरोना को मात देने की, अब हमारी तैयारी है।
चाक, डस्टर छोड़ शिक्षकों ने मोबाइल लैपटॉप थामे है,
हम स्कूल नही जा पाए तो, स्कूल खुद घर पर आये है।
पीडीएफ, पीपीटी, गूगल फॉर्म जाने क्या-क्या बनाते है,
हम अच्छे से पढ़ ले, हमारे शिक्षक जी जान लड़ाते है।
शिक्षक भी है कोरोना योद्धा ये बात हम जान गए,
उनकी निष्ठा और कार्यकुशलता का लोहा मान गए।
कोई माने या न माने मैं उनका आभार जताता हूँ,
अपने शिक्षकों के चरणों में शीश नवाता हूँ।

क्यों नहीं करते बेटियों की हिफाजत,
बेटियों को भी जीने का अधिकार है।
अगर बेटियाँ नहीं रही संसार में,
तो कैसे चलेगा यह संसार?
दूसरे घर पैदा होती तो खुशियाँ मनाते हैं लोग,
मगर अपने घर पैदा होती तो मातम मनाते हैं लोग।
पत्थर की देवी की पूजा करते हैं,
मगर रास्ते में कोई बेटी या औरत दिखी
तो उनकी बेइज्जती करते हैं।
अगर नहीं रही बेटी तो,
कौन बाँधेगी हाथों में राखी,
कहाँ से लाएँगे लोग माँ, बहू और बेटियाँ।
क्यों नहीं सुनाई देती इन्हें अजन्मी बेटी की आवाज,
जो कराह रही इनके अंदर बार-बार,
बेटी बोझ नहीं भविष्य है।
बेटी को भी जीने का है समान अधिकार,
जो हम करेंगे साकार।

माता-पिता

माता-पिता,
जो हमेशा देते हमारा साथ,
क्या हम नहीं रख सकते उन पर अपना हाथ?
माता-पिता,
जो हमारे लिए सब कुछ है लेते,
लेकिन बदले में हम क्यों कुछ नहीं देते?
माता-पिता,
जो हमारी हर ख्वाहिश पूरी करते,
क्या हम उनके लिए नहीं लड़ सकते?
पिता का अनोखा प्यार व माता की ममता प्यारी
उन्हें हमेशा बनाता फूलों की क्यारी।
माता-पिता
हमारे रक्षक,
हमारे पहले शिक्षक।
हमेशा रखो उनको खुश
उनको कभी न महसूस हो दुख।

जब कोरोना जाएगा

साथियों का साथ होगा,
मौज-मस्ती का आगाज होगा,
होठों पर मुस्कान और हाथों में हाथ होगा,
जब कोरोना जाएगा।
सखियों का मधुर गान होगा,
भय बिन खान-पान होगा,
ना कोई दुखी और ना ही कोई परेशान होगा,
जब कोरोना जाएगा।
खेल मैदान का सूनापन जाएगा,
काव्य गोल रोक कर मुस्कराएगा,
कभी चौके और कभी छक्के लगाएगा,
जब कोरोना जाएगा।
हम सब में नया जोश होगा,
रानी हो या रजनी न कोई उदास होगा,
पुनः स्कूल खुलने वाला दिन कितना खास होगा,
जब कोरोना जाएगा।

सहयोगी बनें

सहयोगी (अर्थात् साथ देने वाला) हमें सच्चे मन से सभी की मदद करनी चाहिए। लोगों की मदद करने से वे हमारे प्रति अच्छी भावना रखेंगे और साथ ही साथ वे हमसे एवं सभी के साथ अच्छे से बातचीत करेंगे और हमारे साथ उन्हें सुरक्षित महसूस होगा। वे हमारे साथ ज्यादा समय व्यतीत करना चाहेंगे। 'सहयोगी बनना' एक उत्तम गुण है, यह एक ऐसा गुण है जो हमारे सच्चे मन से चाहने पर ही पूरा हो सकता है। व्यक्ति बिना किसी अपेक्षा के सहयोग करता है। सहयोग लेने वाला व्यक्ति बदले में उसे कुछ दे या ना दे वह निःस्वार्थ भाव से सहयोग करता है। हमें सदा लोगों की मदद करनी चाहिए चाहे वह गरीब हो या अमीर।

सरयू में नौका विहार

दीपावली के अगले दिन मैं अपने परिवार के साथ अयोध्या गई। अयोध्या का नया रूप रात में चारों तरफ रोशनी की जगमगाहट में बहुत ही सुहावना लग रहा था। सरयू नदी के किनारे दीयों की खुशबू तथा जल में दीयों की रोशनी का प्रतिबिंब देखते ही बनता था। सभी नौकाएँ जब नदी के किनारे ठंडी-ठंडी हवा में खड़ी होकर हल्के-हल्के झूमती हैं, तो मन के सारे भाव भी गोते खाने लगते हैं। फूलों से सजी हुई नौका में अपने परिवार के साथ नौका विहार करना बहुत ही अच्छा अनुभव था। जल में मानो चाँदनी बिखेर दी गई हो। चारों ओर का वातावरण बिल्कुल शांत था। नौका से जल की छोटी- छोटी बूँदें उछल रही थी। कुछ ही समय बाद नौका तट के समीप पहुँच गई। हमें समय का पता ही नहीं चला। कुछ क्षण हम शांत जलधारा को देखते रहे। हमारा मन नौका विहार के आनंद से हिलोरे ले रहा था।

छात्र जीवन या बाल्यावस्था में 'अनुशासन का महत्व'

बाल्यावस्था या छात्र जीवन वह आयु है जब कोई भी सीख जीवनपर्यंत के लिए हमारी प्रवृत्ति या स्वभाव का अंश बन जाती है। अनुशासन का अर्थ होता है किसी भी कार्य को नियमानुसार संपादित करना, नियम अर्थात् किसी कार्य को समय से कुशलतापूर्वक समाप्त करने की प्रवृत्ति। अगर सरल शब्दों में कहे तो किसी भी कार्य को नियम एवं समय से करने को ही अनुशासन कहते हैं। नियम एवं समय से किए गए कार्य का महत्व अपने आप ही बढ़ जाता है।

अनुशासन किसी भी व्यक्ति को अनुशासित या कहें नैतिक एवं आज्ञाकारी बनाता है, जिससे वह व्यक्ति जीवन के हर परीक्षा में सफलता प्राप्त करने के लिए सक्षम होता जाता है और वह कठिन से कठिन परिस्थितियों का सामना करने के लिए सक्षम हो जाता है।

हमें छात्र जीवन से ही कुछ अनुशासन सिखाये जाते हैं या पालन करने के निर्देश दिए जाते हैं जिसका हमारे सम्पूर्ण जीवन में अपना ही महत्व होता है जैसे -

1. शारीरिक स्वच्छता के अनुशासन - स्नान, शौच इत्यादि।
2. स्वास्थ्य अनुशासन - रात्रि शीघ्र सोना, प्रातः समय से उठना, दैनिक व्यायाम इत्यादि।
3. भोजन के अनुशासन - भोजन से पहले और बाद हाथ की सफाई, अपना भोजन पूर्णतः समाप्त करना (थाली में जूठा ना छोड़ना), अपना भोजन पात्र स्वयं धोने के स्थान पर रखना इत्यादि।
4. अपने से बड़ों एवं अपने गुरुओं का सम्मान करना।
5. समय पर पढ़ना एवं समय पर खेलना।
6. अहंकार एवं क्रोध से दूर रहना।
7. पुस्तकों से मित्रता - पाठ्यक्रम एवं अन्य ज्ञानदायक पुस्तकों को पढ़ना।
8. अपने से छोटे, कमजोर एवं असहाय को प्रेम तथा मदद करना।
9. किसी के प्रति द्वेष की भावना न रखना।
10. अपनी मातृ-भूमि एवं राष्ट्रीय चिन्हों का हृदय से सम्मान करना।
11. सभी धर्मों का सम्मान करना इत्यादि।

यह केवल कुछ उदाहरण मात्र है जो कि बाल्यावस्था या कहे छात्र जीवन से हमारे स्वभाव का हिस्सा बन जाते हैं एवं जीवनपर्यंत हमें लाभ पहुंचाते हैं साथ ही हमारी सफलता में बहुत ही महत्वपूर्ण भूमिका निभाते हैं, जैसे शारीरिक स्वच्छता हमें गंदगी से होने वाली बीमारियों से सदैव दूर रखती है, समय पर और आवश्यक निद्रा हमें सचेत एवं सतर्क या कहें तरोताजा रखती है। दैनिक व्यायाम हमें शारीरिक एवं मानसिक रूप से स्वस्थ एवं शक्तिशाली बनाता है। पुस्तकों से मित्रता हमें हमेशा पढ़ने का स्वभाव देती है और इस प्रवृति के कारण हम जीवन भर खाली समय में विभिन्न प्रकार की पुस्तकें पढ़कर ज्ञान अर्जन कर सकते हैं। समय से खेलने का स्वभाव हमें जीवन पर्यंत स्वस्थ रहने में सहायता करता है।

अहंकार एवं द्वेष की भावना से दूरी तथा प्रेम, दया और क्षमा की भावना हमें हमेशा आपसी मतभेदों से दूर रखती है जिससे हर व्यक्ति आपका सम्मान एवं आपसे प्रेम ही करता है।

वैसे भी प्रसिद्ध कवि रहीम ने बहुत ही सुन्दर दोहा कहा है-

'रहीमन धागा प्रेम का मत दियो चटकाए,
जोड़े से फिर ना जुड़े, जुड़े तो गांठ पड़ जाये'।

गुरु हमेशा हमारी भलाई के लिए ही निःस्वार्थ कार्य करते हैं एवं हमारी सफलता का मार्ग प्रशस्त करते हैं, गुरुओं का सम्मान करना हमारे जीवन के उन कुछ अनुशासन में हैं जो हमें न केवल हमारे माता-पिता बल्कि हमारे ग्रंथ भी कहते हैं-'गुरुर्ब्रह्मा गुरुर्विष्णु गुरुर्देवो महेश्वरा, गुरुः साक्षात् परम ब्रह्मा तस्मै श्री गुरुवे नमः'।

अतः यह भी कहा जा सकता है कि गुरु की कही हर बात छात्र जीवन में अपने आप में ही एक अनुशासन है जो कि जीवन पर्यंत किसी भी व्यक्ति के लिए सफलता के द्वार खोलती रहेगी।

ज़िंदगी-एक सफर

समय के साथ चलना
मुश्किलों से न हारना
यही है ज़िंदगी।
किसी की ख़ुशी की वजह बनना
हर पल को यादगार बनाना
यही है ज़िंदगी।
किसी के सहर में साथी बनना
जरूरतमंद की मदद करना
यही है ज़िंदग।
भगवान से न मिल कर भी आस्था रखना
हर दिन एक नये करिश्मे की तमन्ना
यही है ज़िंदगी।

'बारिश'

बारिश आई छम-छम-छम
देख हरियाली खिल गया मन,
नए पौधों का हो गया सृजन,
मोर मोरनी भी नाचे छम-छम-छम।
इंद्रधनुष के रंग बिखर गए आसमान में,
बिजली की गड़गड़ाहट से सिहर गए हम,
मिट्टी की सौंधी खुशबू से प्रफुल्लित हुआ मन
बारिश आई छम-छम-छम ।
छुपन-छुपाई खेले सूरज संग बादल,
बहने लगी नदियाँ कल-कल-कल,
तालाब भी भर गए पानी से
क्योंकि बारिश आई छम-छम-छम ।

'प्रकृति'

प्रकृति हमें साँस लेने के लिए शुद्ध हवा, पीने के लिए पानी और खाना, देती है। यह हमें रोटी, कपड़ा मकान देती है जो एक मनुष्य की मुख्य ज़रूरत है। इसके अलावा पेड़-पौधे, नदी, झरने, पशु-पक्षी, रंग-बिरंगे फूल, तितलियाँ जो हम रोज देखते है, यह भी प्रकृति की ही देन है। सूरज, चाँद, सितारे, धरती और आकाश भी प्रकृति के अंग हैं। हमें प्रकृति की रक्षा करना चाहिए क्योंकि, प्रकृति हमारी रक्षा करती हैं। प्रकृति से ही हमारा जीवन है।

पानी बचाओ

प्यास लगे तो पीएँ पानी,
नहाने धोने में भी पानी।
पौधों में हम डाले पानी,
कुत्ता, बिल्ली मांगे पानी।
बिन पानी हम जी ना पाएँ,
फिर पानी क्यों व्यर्थ बहाएँ।
नल में खुला न छोड़ो पानी,
टप-टप, टप-टप बहा पानी।
पानी को तुम खूब बचाओ,
काम पड़े तब उसे बहाओ।

'छत्तीसगढ़ का ऐतिहासिक स्थल-सिरपुर'

छत्तीसगढ़ ऐसी जगह है जहाँ अनेक प्रकार के धार्मिक और ऐतिहासिक स्थल हैं। इनमें से एक प्रमुख ऐतिहासिक स्थल है सिरपुर जहाँ मुझे अपने परिवार के साथ जाने का मौका मिला। सिरपुर में चारों ओर हरियाली है। यह रायपुर से 78 किलोमीटर दूर महानदी के तट पर बसा है। महानदी 'छत्तीसगढ़ की गंगा' के नाम से जानी जाती है। सिरपुर का प्राचीन नाम श्रीपुर है जो कि प्राचीन समय में दक्षिण कौशल की राजधानी थी। सिरपुर में अनेक स्थान देखने योग्य है जैसे- लक्ष्मण मंदिर, पुरातात्विक वस्तुएँ, गंधेश्वर मंदिर, बुद्ध विहार, प्राचीन संग्रहालय आदि। लक्ष्मण मंदिर में भगवान विष्णु जी की मूर्ति है। यह मंदिर प्राचीन मंदिरों में से एक है। यह मंदिर लाल रंग के पत्थरों से बना है जिसकी बाहरी दीवारों पर सुंदर नक्काशी की गई है। सिरपुर में अनेक पुरातात्विक मूर्तियाँ देखने को मिलती है। बुद्ध विहार में मैंने बौद्ध वास्तु कला को देखा। यहाँ के प्राचीन संग्रहालय में एक चतुर्मुखी शिवलिंग है जो देखने में आकर्षक है। मंदिर की सुंदरता देखते ही मन प्रसन्न हो जाता है। गंधेश्वर मंदिर बौद्ध धर्म का प्रतीक है। सिरपुर जाकर मुझे अनेक जानकारियाँ मिली। इसके अतिरिक्त वहाँ के लोगों से मैंने सिरपुर के इतिहास के बारे में जाना। अपने परिवार के सदस्यों द्वारा मुझे प्राचीन वस्तुओं के बारे में पता चला। इस तरह यह स्थल बड़ा ही मनमोहक है जहाँ बार-बार जाने का मन करता है। अतः सिरपुर छत्तीसगढ़ का प्रसिद्ध ऐतिहासिक स्थल है।

समय प्रबंधन का महत्व

समय इस संसार में सबसे अधिक बलशाली होता है जो किसी की भी प्रतीक्षा किए बिना निरंतर चलता जाता है। समय के अनुसार चलने वाला मनुष्य सदैव सफलता के पथ पर अग्रसर रहता है और उसका जीवन सार्थक सिद्ध होता है। परंतु ऐसा मनुष्य जो समय को व्यर्थ के कार्यों में नष्ट कर देता है, उसका जीवन सदैव विफलताओं के अंधकार में डूबा रहता है। मनुष्य को चाहिए कि वह सदैव समय का सदुपयोग करे और अर्थहीन कार्यों में समय को व्यर्थ नष्ट करके स्वयं के पैरों में कुल्हाड़ी मारने की मूर्खता से बचे। समय की दृष्टि में सभी समान हैं, समय सभी के लिए सामान्य गति से बढ़ता है। आज के इस व्यस्त जीवन में प्रायः मनुष्य समयाभाव अर्थात् समय की कमी के कारण तनावग्रस्त है और इसका एकमात्र कारण है समय प्रबंधन कौशल का अभाव। समय के अनुकूल योजनाबद्ध रूप से कार्य करने वाले मनुष्य सदैव तनावमुक्त जीवन व्यतीत करता है। समय प्रबंधन कौशल के विकास हेतु मनुष्य को चाहिए कि वे एक प्रभावशाली समय तालिका का निर्माण करके अपने सभी कार्यों को व्यवस्थित करें और फिर दृढ़ता से अपने द्वारा निर्मित समय तालिका का आचरण करे। समयाभाव की समस्या केवल आलस्य से ग्रस्त व्यक्तियों में देखी जा सकती है क्योंकि वे अपना कार्य करने की अपेक्षा आलस्य से ग्रस्त होकर कामचोरी करते हैं और फिर तिरस्कार एवं विफलताओं का सामना करते समय वे अपने भाग्य को कोसते रहते हैं। जो व्यक्ति समय का अनादर कर उसे नष्ट करता है, एक दिन समय उसे ही नष्ट कर देता है। आज के आधुनिक युग में, तकनीकी विकास ने मनुष्य का जीवन अत्यंत सरल कर दिया है जिससे आज मनुष्य के लिए समय का सदुपयोग करना कितना सरल हो गया है! मनुष्य को प्रकृति से भी समय प्रबंधन कौशल को विकसित करने की प्रेरणा प्राप्त करनी चाहिए, प्रकृति में भी, सूर्य सदैव एक निर्धारित समय से उदित होता है और एक निर्धारित समय में अस्त हो जाता है। नदी भी किसी की प्रतीक्षा किये बगैर निरंतर प्रवाहित होती है। पक्षी भी सूर्य के उदय होते ही अपने नीड़ से निकल भोजन उपलब्ध करने की खोज में चले जाते हैं और सूर्य के अस्त होते ही वे एक निर्धारित समय में वापस आ जाते। जो मनुष्य समय का दुरुपयोग करता है वह स्वयं को ही हानि पहुँचाने की मूर्खता करता है। अतः समय का बुद्धिमत्ता से सदुपयोग करने वाला मनुष्य सदैव सुख एवं शांतिपूर्वक जीवन व्यतीत करने में सक्षम होता है।

मेरा गाँव

मेरा गाँव छोटा सा, बड़ा प्यारा था।
हरे-भरे पेड़ और खेत, सुंदर नज़ारा था।
नीम की निंबोली और, शहतूत सदाबहार था।
छोटी सी पंचायत और बड़ा बाज़ार था।
ब्राह्मण, किसान, नाई और मोची, सभी का संग रहता था।
दिल से तो दिलदार बड़े थे, पर हाथ सभी का तंग रहता था।
छोटे घरों की तंग गलियाँ, बड़ा-सा तालाब।
समाऊ का संगीत, और नगाड़ों की थाप।
तरस गई आँखें आज, उन्हीं नजारों के लिए।
राह ताकता है गाँव, आँख के तारों के लिए।

स्कूल तुम बहुत याद आते हो

जून-जुलाई कभी ऐसा न था
स्कूल का आँगन कभी सूना न था।
उत्सव सा माहौल था होता
बच्चों में नया जोश था होता।
नई किताबें नई कॉपियाँ
उस पर सुंदर कवर सजाती
नए बैग, नई वाटर बोतल
मम्मी कितने शौक से लाती।
स्कूल देखकर चिंटू रोता
दादा-दादी लाड़ जताते।
मम्मी-पापा खूब समझाते
चाचू छुट्टी पर घूमाने ले जाते।
आलू पूरी और पराठे
कभी भिंडी से थे सज जाते।
दोस्तों के टिफ़िन का स्वाद
रह-रहकर आता है याद।
लंच ब्रेक में कैंटीन का समोसा खाना
टिफ़िन खत्म न करने पर हर दिन डांट सुनना।
वो दिन बहुत याद हैं आते
जब बात करने पर हम कक्षा से बाहर निकाले जाते।
यूनिफॉर्म अब सिसक रहे हैं
पेंसिल-इरेज़र भी तरस गए हैं।
टीचर ऑनलाइन पाठ पढ़ाती,
परंतु ऑफलाइन कक्षा की याद सताती।
मैदान खेल का पड़ा है सूना
झूले भी रोते हैं ये रोना।
प्रतियोगिताएँ अब ऑनलाइन हैं होती,
बच्चों को न बधाइयाँ मिलती।
भगवान कोरोना से मुक्त कराओ
जल्दी से स्कूल खुलवाओ।
हम सब साथी मिलकर जाएँ,
लंच के समय धमाल मचाएँ।
हर बच्चा करता फरियाद
अब तो करो हमें आजाद।
घर पर रहकर पढ़ न पाते,
स्कूल तुम हो बहुत याद आते।

वर्करों ने।

आज मुझे दुख होता है कि,
दुनिया में सुख, शांति और चैन नहीं।
दुःख और दर्द है हर जगह,
खुशियों की आवाज़ नहीं।

ख़ामोशी क्यों शोर करे?
हर भीड़ में क्यों सन्नाटा है?
बीमारी का डर है ज्यादा,
या बीमारी ज्यादा है?

अब फ्रंट लाइन के हर वर्कर,

सच मानो तो जैसे वे,
