From principal's Desk

Dear All

A delightfully warm welcome to the staff, students and parents to this edition of RAYS. The magazine encapsulates the essence of the activities piloted throughout the course of the academic year. A reflection of the comprehensive augmentation of non-scholastic pedagogy, the magazine proves as a launch pad to blossom creativity among students.

As Dr. APJ Abdul Kalam once quoted, "Behind the parents stands the school, and behind the teacher, the home", the school is aimed at helping the student attain all around development in collaboration with parents. We hope the alliance provides the student with the best possible outcomes much alike India's G20 presidency working for domestic progress and 'Vasudhaiv Kutumbakam' internationally.

The G20 summit and India's presidency has successfully navigated/weathered the storm of international geopolitical diplomacy with flying colours as well as planted itself as a permanent member of the new world order post Covid-19.

We leave behind the destitute situations/ aftermath of a deadly pandemic, welcoming in the new age of 2023, seemingly not so long ago, yet the endeavour towards completion of 50% syllabus nears accomplishment. Hoping 'RAYS' warms the readers' heart like the winter sun, as we look forward to coordinate a triumphant 'Mind-Spark', an Inter-School event at Brighton. Let us all join hands in cheering the student council along with the students of standard 12th and wish them for a successful conduct of activities at 'Mind-Spark' 2023.

Wish You All Pleasant Reading.

Investiture Ceremony

'Great leaders harness personal courage, capture the hearts and minds of others and empower new leaders to make the world a better place.' The air at Brighton International School was filled with a palpable sense of excitement and pride as the school community gathered to witness the prestigious Investiture Ceremony. The glorious ceremony honoured the newly appointed Student Council Members who would take on the mantle of responsibility with pride and dedication. The captains and the prefects marched spritely to receive their badges and administered the oath to discharge their duties with integrity, faith and excellence.

As the badges were pinned onto the newly appointed council members, the pride and joy on their faces were evident. With the newly appointed Head Boy Prakhar Singh, Head Girl Ananya Sharma and other Council Members at the helm, the school embarked on a new chapter filled with hope, determination, and promise.

The Investiture Ceremony had not only recognized the leaders of tomorrow but also inspired every student to strive for greatness and embrace the spirit of leadership within them.

RESPECT

Inauguration of Robotics Lab

Brighton International School took a significant stride forward in the field of education with the inauguration of Robotics Lab, in the presence of Dr. Prashant Kawishkar, for students based on the practical application of Artificial Intelligence, Computer Science and Electronics. It was marked as a momentous occasion for the school to unveil a cutting-edge facility that promises to transform the way students learn and engage with robotics and technology.

77th Independence Day Celebration

Brighton International School marked the 77th Independence Day with a vibrant and patriotic celebration leaving an indelible memory in the minds of all who attended. The school's premises were adorned with the tricolour of the Indian flag, creating an atmosphere of national pride and unity. The programme started with the flag hoisting ceremony followed by the National Anthem and March Past. It proceeded further with a thrilling patriotic speech and poem. The patriotic song, mesmerizing classical dance on the tunes of 'Tujhe Namami' and the dance act on the great warrior 'Chhatrapati Shivaji Maharaj' filled everyone with pride and a renewed sense of patriotism.

Brighton Lecture Series

Remote Sensing

Professor Prashant Kawishkar, a resource scientist, threw light on the topic 'Remote Sensing' for Classes IX-XII students that served as a beacon of knowledge, illuminating young minds and igniting their passion for earth observation. By imparting the latest advancements in remote sensing technologies and their applications, he equipped the next generation of scientists with the tools they need to make a meaningful difference in the world. As the students step into the future, they carry with them a profound understanding of how remote sensing can transform challenges into opportunities for a better, more sustainable planet.

Career in Law

An exemplary session was conducted for classes X,XI & XII (Commerce and Humanities) featuring Professor Abhinav Shukla who set out great knowledge base on career options in the field of Law. He informed about specific rules and regulations to be taken care of while attempting for CLAT as well as other law related examinations, described about the edge points and drawback of the field. Besides, he apprised everyone of his own story and had a compelling impact on students to opt for law in their future careers.

Career in Physiotherapy

Physiotherapy, a crucial component of modern healthcare, plays a vital role in enhancing the well-being and mobility of individuals with physical limitations. Dr. Uma Chintal's session on physiotherapy has proven to be an invaluable resource for students of classes X, XI, and XII. By providing essential information, inspirational anecdotes, and guidance on building a successful career in physiotherapy, the series has played a significant role in shaping the career choices of numerous aspiring healthcare professionals.

Law as Career

Advocate Rohit Sharma, a distinguished legal professional has embarked on a remarkable journey to inspire and educate young minds of class IX to pursue law as career. By imparting legal knowledge and fostering social responsibility, he empowered the next generation to become active, engaged citizens who can bring about positive change in society. The impact of Advocate Rohit Sharma's lecture series on Class IX students had indeed been remarkable

Career in Judiciary

In the pursuit of empowering students and guiding them towards their desired career paths, Miss Aishwarya Diwan, Civil Judge & Judicial Magistrate conducted an illuminating lecture focusing intriguing and challenging world of a career in Judiciary for the students of class XI & XII(Commerce & Humanities).The session glorified the opportunities in the field of Judiciary, how the procedure works & thereby was an insightful experience to know about the civil procedures in India.

Career in Veterinary Science & Animal Husbandry

The field of veterinary science and animal husbandry plays a crucial role in ensuring the health, well-being, and sustainable management of animals. Dr. Aradhana Singh, assistant surgeon at State Referral Veterinary Hospital, Raipur, has embarked on a remarkable journey to share her knowledge and insights through a comprehensive lecture series. With a commitment to enhancing our understanding of veterinary science, Dr. Singh's lectures offered valuable information for both aspiring veterinarians and animal enthusiasts alike.

Decoding CUET (Common University Entrance Test)

In the dynamic landscape of higher education, competitive exams have become the gateways to prestigious institutions. One such exam is the CUET (Common University Entrance Test), which holds a significant place for aspiring students seeking admission to esteemed universities. To demystify the intricacies of CUET and provide valuable insights to Class XII students, Mrs. Priyanka Singh emerged as a beacon of guidance. With her extensive experience and pedagogical expertise, she enabled students to decode the complexities of CUET, providing a clear roadmap on how to approach various entrance tests.

Brighton Kindle

Skill of Ironing

Ironing clothes is more than just a household chore; it's a life skill that promotes self-sufficiency and attention to detail. Recognizing this need, a unique Kindle activity was organized for students of classes VI,VII and VIII, focusing on the fundamental skill of ironing clothes. This activity aimed to teach students a valuable life skill that would not only help them become more independent but also contribute to their personal development.

Painting

Art can often illustrate a personal interior monologue as well as convey ideas and emotions, and illustrate stories and events. The Brightonites of Class VI, VII & VIII joined hands and enjoyed painting with a great zeal. The students painted the tyres, furniture, walls etc. and learnt different techniques of painting which will definitely help them finish their tasks independently.

Fire Hose Drill

It is crucial for students to establish a clear, step-by-step evacuation plan that explains exactly what everyone should do in the event of a fire. Participating in regular fire drills, helps students to fully grasp the building's escape routes and the instruction they must follow. Students from class VI-VIII attended an exemplary mock drill on Fire Hose and learned about the Fire Safety like extinguishing the fire, opening the nob of fire extinguisher, using hose water pipe etc.

Class Event

'Colours of India'

In a kaleidoscope of culture and tradition, India stands as a country of unparalleled diversity, a land of colors. To celebrate this cultural kaleidoscope, the enthusiastic students of Class V organized a spectacular event titled "Colors of India." Through dance, debate, drama, music and melodious songs , the students immersed themselves in the vibrant colors that epitomize India's essence. This unforgettable event left an indelible impression on the hearts of all who attended, reminding everyone that India's true beauty lies in its colors – the colors of unity, diversity, and the spirit of togetherness.

‘Colours And Seasons of Life’

Colours and Seasons indeed add beauty and vibrancy to life, serving as the vibrant threads that weave the very fabric of reality. To celebrate the essence of colours and seasons of life, the students of class VIII organized a spectacular event. Sections A & B exhibited their talents by delivering eloquent speeches, reciting heartwarming poems, and captivating the audience with various dance performances. Students comprehended the connection between colours and the different seasons of life. This understanding was ingeniously expressed by sections C,D & E through rainbow formations, striking tribal and western dances, artistic poems, articulative speeches, and thought-provoking skits. The event succeeded in stimulating a deeper appreciation for the beauty and significance of colours and their deliberation of life's incremental seasons. It also showcased the talent and creativity of the students, making it a memorable celebration of the essence of life and its polychromatic colours.

Satyamev Jayate - Truth Alone Triumphs

In a vibrant display of talent and creativity, the students of Class VII staged together to host an exceptional event on the theme "Satyamev Jayate - Truth Alone Triumphs." The event was a resounding success, showcasing an array of a thought-provoking speech, a captivating skit, mesmerizing dance performances, a gripping drama, and poignant poems. As the curtain closed on the event, the audience left with a renewed appreciation for the power of truth and the inspiration to embrace honesty in their lives. The elated students had not only put on a captivating show but had also successfully conveyed the timeless message that truth indeed triumphs over falsehood, illuminating the path towards a better and more just world.

Gender Equality

"Equality is the soul of liberty".In a remarkable display of awareness and enthusiasm, the students of Class IV organized a captivating Class Event centered around the theme of 'Gender Equality.' This event served not only as a platform for young minds to showcase their talents but also as an impactful way to raise awareness about an issue that holds immense significance in today's society.The event was a dynamic amalgamation of various performances and activities,including Dance,Skit,Nukkad Natak etc. all designed to shed light on the importance of gender equality. The students left no stone unturned in ensuring that their message was effectively conveyed to the audience.

Annadata –The Farmers

"Gratitude grows where farmers sow; their sweat and toil, a testament to life's cycle." The heartwarmimg Brightonites of Class III outperformed a special Class Event that celebrated the unsung heroes of our nation – titled "Annadata(The Farmers)." The event was a captivating fusion of soul stirring poems, thought provoking speeches ,eye-opening skit, and mesmerizing dance performance, all aimed at shedding light on the pivotal role farmers play in our lives.Throughout the event, an undercurrent of gratitude and admiration for farmers was palpable. It was heartening to witness these young minds not only understanding the importance of agriculture but also taking the initiative to raise awareness among their peers and parents.

Kindergarten

Sorting and Comparing

Sorting and grouping are important cognitive skills. The primary purpose of this activity is to instill in Nursery Brightonites the skills to notice similarities and differences in various objects, learn to categorise and organize, and develop early literacy and numeracy skills.

Red Day Celebration

"The colour of love and smile illuminates the air with energy, vigour and exuberance....."'Red' symbolizes enthusiasm, life and vitality. The tiny tots of Nursery and K.G. celebrated 'Red Day' introducing children into the mesmerizing realm of colours. The shades of red made our little stars feel bright, lively and cheerful. They displayed their creativity with red craft work as well. It was a marvellous day with innocent faces gleaming and reflecting brightness, joy, and happiness.

Treasure Hunt

BIS organized an exciting treasure hunt activity for its kindergarten students, turning their usual school day into a thrilling adventure. The treasure hunt aimed to foster team-work, problem-solving skills and creativity in the young minds while providing an enjoyable experience for them. With an atmosphere of joy and excitement, the event became a memorable day for both the little explorers and the faculty who witnessed their enthusiasm.

Balance Game

The Balance Game activity proved to be a fantastic way to promote physical development, social skills and teamwork in the tiny tots of K.G I .The playful nature of the game ensured that they had fun while mastering the art of balance.

Yellow Day Celebration

In a burst of bright colors and contagious laughter, the little stars of the kindergarten celebrated a special event at BIS- the Yellow Day! The vibrant celebration, wrapped in the colour yellow, brought joy, creativity, and learning to the forefront as the tiny tots immersed themselves in a day filled with exciting activities, games, and lessons centered around this sunny hue. The Yellow Day proved to be an unforgettable experience, leaving a lasting impression on both the children and their teachers.

Elocution (Topic: Summer Vacation with my Family)

Summer Vacation holds a special place in every child's heart and the experience shared by the class II Brightonites in the elocution competition proved just that. From visiting grandparents to exploring new places and creating cherished memories, these young minds have shown the essence of family bonding. The eloquent voices shared their heartwarming stories, adventures and cherished memories enthralling the audience.

Workshop (Topic: Stranger is Danger)

In an effort to create awareness and ensure the safety of young children, BIS organized a special workshop titled "Stranger is Danger"for the Nursery kids. The workshop aimed to educate the children about the potential dangers posed by strangers and equip them with essential safety skills. The activity was filled with laughter, fun, interacting, providing an enjoyable learning experience for the little ones.

Workshop (Topic: Basic Hygiene)

"Hygiene is two thirds of health". In a delightful and informative gathering, the brightonites of KG II embarked on a fun-filled adventure to learn about the significance of basic hygiene. The workshop conducted by the teachers aimed to instill good hygiene habits in the formative years of these kids. From hand washing to dental care, the event empowered the children to take charge of their health and well-being.

Patriotic Poem Recitation Competition

"Freedom is the oxygen of the soul."In a heartwarming display of youthful enthusiasm and national pride, Nursery kids took the stage for a Patriotic Poem Recitation Competition that left everyone in a state of bliss and wonder. The activity showcased the budding talents of these mini-sized patriots as they recited verses dedicated to their beloved country.

Role Play (Famous Personalities of India)

India is a land of incredible people who have laid a big impact on our country and the world. The Kindergarten kiddos stepped into the shoes of some famous personalities from India and learnt about their amazing achievements through the fun filled Role Play Act.

Let's Learn National Symbols of India

"Arise, awake, and stop not till the goal is reached."In this fun-filled activity, KG students embarked on a journey to discover the wonderful world of India's national symbols. This activity not only introduced India's national symbols to kids but also instilled a sense of pride and curiosity about their country's heritage, developing a deeper understanding and appreciation for these important symbols.

Role Play Competition (Know Your Freedom Fighters)

"Role play is the gateway to empathy, where we step into another's shoes to understand their journey."A playful Role-Play Competition on the topic 'Know Your Freedom Fighters' helped Nursery kids plant the seeds of historical awareness early on, nurturing a sense of

respect for those who shaped the world we live in today. This activity encouraged creativity, boosted confidence, and introduced important concepts like bravery, equality, and unity and made learning interactive and fun.

Meet the famous Personalities of India

The little explorers of Nursery dived into a magical journey along with their teachers to meet some amazing people who have made India proud with their talents and hard work. The kids got inspired with these personalities by viewing their posters and videos acknowledging their feat for our country's freedom.

Fancy Dress Competition (Traditional Dresses of India)

The traditional dress-themed Fancy Dress Competition for KG students was a vibrant and culturally enriching event. With adorable young participants dressed in various traditional attire from different regions of India, the activity showcased the rich diversity of our country.It truly fostered a sense of pride and promoted cultural appreciation among the young minds.

Know about the famous Monuments of India

Indian monuments represent one of the most outstanding facets of the multi-faceted Indian culture. Monuments have an intrinsic value and provide a sneak peek into our ancient heritage. Indeed the Kindergarten children delved into a deeper insight of the cultures and traditions of the ancient world. Knowing about the monuments of India, children gained knowledge about their country's history thereby instilling the spirit of patriotism.

Kavita Vaachan (Mera Desh)

In an enthralling display of creativity and patriotism, the kindergarten students engaged in the activity of "Kavita Vaachan" (Poetry Recitation) centered around the theme "Mera Desh". The young minds brimming with innocence and curiosity came together to express their feelings and thoughts about their homeland.

Classroom Discussion (States and Capitals of India)

In the engaging Classroom Discussion Activity on the topic "States and Capitals of India," the KG students exhibited a remarkable level of enthusiasm and curiosity. The classroom was filled with colorful maps and visual aids that captured the attention of the young learners. Through this interactive activity, the students not only learned the names of the states and capitals but also began to grasp the geographical layout of India.

Primary Wing

Mirror Mirror (Write Compliments for Yourself)

"Mirror! Mirror! on the wall, who's the brightest of them all?"

Students of Class III penned down beautiful compliments imagining themselves looking in the mirror and admiring their personality. Embracing our individuality not only makes us feel good but also helps in building confidence, promotes individual excellence and enhances creativity leading to self-awareness and self esteem.

Learn Table Manners and Etiquettes

"Every meal can serve as an opportunity for kids to learn how to exercise proper etiquette." From using their utensils properly to wait until everyone has been served, little kids can learn how to be respectful and practice table manners. The kids of class II learnt to have control over their movements and behavior all of which can help with table manners.

Class Bulletin Board Decoration

The activity was conducted for students of class V which aimed at decorating the class bulletin board. It helped to create a more engaging and welcoming atmosphere for the new pupil. It motivated students to work diligently and exceptionally to showcase their creative and innovative aspects.

Tongue Twister Challenge

Tongue twisters are a fun way to have some oral exercise. The complicated alliteration and other factors make it hard to say the twister repetitively. Students of Class III took up this challenge in supervision of their respective class teachers and tried on various tongue twisters themselves; saying them twice, thrice and more in a fast pace without stopping which not only gave their tongue a quick workout but also helped in the clarity of their voice greatly adding pleasure and enthusiasm.

Creating a Picture using 2-D shapes

This activity was basically designed to assist early learners, develop problem solving skills for the students of Brighton. The motive was to shape up students' understanding of geometrical attributes. Students gained a better understanding of how to describe a shape by the number of edges and vertices it has. The students of class IV participated with great enthusiasm and had a great learning.

Design the book cover

"Design the Book Cover" activity inspired the children of class IV to be creative.The young minds decorated the cover with a range of themes and genres like fantasy, adventure, mystery etc. It was indeed a fun-filled experience for them.

1 Minute Challenge

Number Drawing

Drawing activities are not only enjoyable for young children but also play a crucial role in their cognitive development. This activity introduced kids of class I to a world of Mathematics while stimulating their imagination. Indeed it instilled a positive attitude towards learning and boosted children's confidence in handling numbers from an early age.

Elocution (Topic: Summer Vacation with my Family)

Summer Vacation holds a special place in every child's heart and the experience shared by the class II Brightonites in the elocution competition proved just that. From visiting grandparents to exploring new places and creating cherished memories, these young minds have shown the essence of family bonding. The eloquent voices shared their heartwarming stories, adventures and cherished memories enthralling the audience.

Write a Poem for Your Father

"The value of a loving Father has no price". "Write a poem for your father" activity presented by Class IV Brightonites was an emotional and touching experience. The budding poets expressed their admiration and gratitude towards their father through heartfelt verses, showcasing the deep impact that fatherly love has on their lives. The activity not only nurtured their creativity and writing skills but also helped them understand the significance of the bond they share with their father.

Shlok Chanting Competition

In a heartwarming display of cultural pride and spiritual harmony, the students of class III participated in a Shlok Chanting Competition. It provided an enriching platform for the kids to showcase their linguistic talents, delve into the essence of ancient scriptures and celebrate the rich heritage of India.

Poster Making Competition (Topic: World Environment Day)

On the momentous occasion of World Environment Day, the enthusiastic and creative minds of class V took centre stage as they participated in a thrilling Poster Making Competition. This activity not only showcased their artistic abilities but also served as a platform to spread important messages about environmental conservation.

Poster making- Create a Tourism advertisement

Memory Game

Situation Based Act

Enact an Advertisement

To foster creativity and confidence in class II Brightonites "Enact an Advertisement"activity was conducted. By exploring the world of advertisement in an educational environment, children can develop a more critical understanding of the media they encounter daily. The activity fostered teamwork, imagination, and presentation skills, enabling children to communicate effectively with their peers.

Learn to fold clothes

Teaching kids essential life skills can be both fundamental and educational. One such skill is learning to fold clothes. Introducing class II kids the art of folding clothes not only helped them in building their motor skills but also instilled a sense of responsibility and independence.

Elocution (Monsoon)

Monsoon, the much-awaited season of the year, brings joy, relief, and a sense of wonder to people of all ages. As the rains shower down, it is not only nature that rejoices but also the heart of young learners in Class III, who participated in an Elocution on the topic 'Monsoon.' This activity helped the budding orators to express their thoughts, feelings, and observations about this enchanting season.

Card Making (Topic: Express Your Gratitude)

Acknowledging the value of gratitude and nurturing creativity in budding minds, a heartwarming card-making activity was held among the enthusiastic class III students. The activity aimed to teach the young participants the importance of gratitude while tapping into their artistic flair.

Role Play Competition (Topic: Types of Doctors)

In an endeavor to boost talent, teamwork, and knowledge among the children of class IV, an enthralling role-play competition centered around the captivating world of doctors was organized. The activity focussed to introduce the children to various types of doctors and their crucial roles in healthcare. The competition witnessed an array of impressive roles of different streams of doctors with enthusiasm and brilliance.

Pictionary

The Pictionary activity proved to be a powerful tool for reinforcing classroom learning. As the students of class IV guessed the word and drew the picture, they recalled their learnings and fostered creativity and imagination skills. This exercise allowed them to explore their artistic talents and apply them in a fun-filled environment.

Doodle Art With First Letter of their Name

The journey into the world of doodle art with Class I had indeed been delightful and awe-inspiring. The budding artists unleashed their creativity, giving life to their favorite themes using the first letter of their names. From daring dinosaurs and enchanting elephants to whimsical waves and jumping jaguars, the doodle art by these talented kids showcased the beauty of imagination and the magic of art and had left a lasting impression on all those who witnessed the pleasure of their creative adventure.

Slogan Writing Competition

In a colourful display of imagination and linquistic skill, class V students enchantingly participated in a slogan writing competition with the intent of nurturing their creativity and honing communication skills through impactful slogans that touched upon a wide range of topics.The students truly proved their ability to articulate their thoughts succinctly while conveying a powerful message.

Bookmark Making Activity

Engaging students in hands-on activities is a wonderful way to foster their creativity and develop fine motor skills. One such enjoyable activity conducted for Class I students was 'Making Bookmarks.' Not only does this activity encouraged their imagination, but it also promoted a love for reading and helped them cherish their favourite books.

Poem Recitation Competition
(Topic: My Mother)

"Poetry is the rhythmical creation of beauty in words." The Poem Recitation Competition on the topic "My Mother" brought together the innocence and creativity of Class I kids. The event was a heartwarming tribute to the most important person in every child's life - their mother. As the young talents stepped up to the stage, their tiny voices echoed the profound love and admiration they held for their mothers.

Inter-Class Singing Competition
(Patriotic Songs)

The Inter-Class Singing Competition for standard I themed 'Patriotism' resonated deeply with the kids country-loving spirits. The budding performers might have been in their earliest years of schooling, but their enthusiasm and dedication to showcase their love for their nation were nothing short of inspiring.

Role Play Competition(Freedom Fighters)

'Role play is a powerful tool that allows us to step into someone else's shoes and experience the world from their perspective. 'The captivating activity introduced, the adorable children of class I, to important historical figures who fought for our nation's freedom. Through the creative role play, children embodied the freedom fighters, learned about their sacrifices, and developed a sense of patriotic spirit.

Redesign an Old T-Shirt

In a delightful classroom activity, the imaginative minds of Class II were set in motion as they embarked on a journey to breathe new life into old t-shirts. The activity aimed not only to teach the young ones about reusing and repurposing but also encouraged them to explore their artistic talents armed with heaps of enthusiasm.

Elocution (Latest Inventions)

In a splendid showcase of youthful ingenuity, an Elocution Competition centered around the captivating theme of "Latest Inventions" was hosted by class II kids. The event highlighted the remarkable eloquency of children.

Patriotic Poem Recitation Competition

The Patriotic Poem Recitation Competition for Class II Brightonites proved to be more than just a mere contest. It was a celebration of patriotism, an exploration of history, and a channel for fostering values in the hearts of the young learners.

Role Play (The Indian I Idolize)

In an inspiring educational endeavor, the brimming talents of Class III participated in a thought-provoking Role Play activity centered on the theme, "The Indian I Idolize." The activity aimed to encourage students to explore and express their admiration for notable figures from India's history, fostering a deeper understanding of the values, achievements, and contributions of these individuals.

1 Minute Challenge (10 Amazing Facts about India)

The 1-minute challenge activity was an exhilarating journey that showcased the energetic Class III students' passion for learning and their ability to communicate effectively. With curiosity as their compass and a stopwatch ticking away, they spotlighted 10 astonishing facts about the captivating land of India bringing to light the incredible diversity and wonders that India has to offer.

Describe any one Indian Monument

The young and inquisitive minds of Class III Brightonites took a journey through time and history as they described one iconic Indian monument each. Through their innocent yet insightful words, the budding storytellers painted vivid pictures of the architectural marvels that adorn the landscape of India.

Quiz (Food and Languages of India)

'A Quiz keeps the mind sharp and the quest for knowledge alive.' The Quiz Activity themed 'Indian Food and Languages' brought together the flavors of India's culinary traditions and the melody of its languages into a harmonious educational experience. The enthusiasm and eagerness displayed by the Class III Brightonites showcased the power of interactive learning in fostering a deeper connection with their heritage.

Elocution (My Rights and Duties as an Indian Citizen)

The Elocution Competition on "My Rights and Duties as an Indian Citizen" by Class IV was a triumph of both expression and education. Through their speeches, these young voices echoed the ideals of responsible citizenship, demonstrating their understanding of the vital balance between rights and duties.

Skit (Clean India, Green India)

"Cleanliness is not just a virtue, but a responsibility towards our nation." With colorful costumes and spirited enthusiasm, the young performers of class IV prepared to showcase their creativity through a skit on the theme of "Clean India, Green India" that aimed to convey an important message of environmental responsibility to their fellow mates highlighting the need for change.

Group Discussion (How Energy Resources can be utilized Optimally?)

The engaging Group Discussion Activity proved to be a dynamic learning experience for the students of class V. Guided by their teachers, these young minds delved into the world of Energy Conservation, sharing their thoughts, ideas, and innovative solutions for a sustainable future.

Elocution (Your Contribution to the Country's Growth)

In an activity that radiated youthful enthusiasm and promise, Class V students showcased their oratory skills through eloquent speeches on the topic "Your Contribution to the Country's Growth." With each child stepping up to the podium, the potential of the young minds to make a positive impact on their nation's development was apparently witnessed.

Senior Wing

Inter Class Cricket Match

"The strongest people aren't always the people who win, but the people who don't give up when they lose. The students of Class X were overwhelmed with delight and got lost in the immensity of their own euphoria while playing the game of Cricket. While fun was a part of the play, the seriousness with which they handled themselves and displayed sportsmanship, was certainly a sight to see. Their exuberant roars echoed in the field as they all rushed to join hands and run towards victory.

Start up Ideas (PPT)

"An entrepreneur is someone who has a vision and a want to create."

The students of Class X were asked to offer and describe their start up ideas using PowerPoint presentation. Through this activity, the students not only explored their efficiency in brainstorming ideas but also learnt to present their blooming thoughts to the audience. Their animated unique presentations is a mirror of their own imaginative brains.

Introduce Yourself (Formal and Informal)

'Introducing yourself' is an essential part of any social or professional interaction. It's an opportunity to make a good first impression, establish rapport, and start building relationships. The "Introduce Yourself" activity was designed to help children of class VI get to know each other better, build relationship, and develop a sense of community within their classroom. The activity will effectively develop their social and communication skills as they progress through school and eventually to the workforce.

Extempore

The Extempore competition, an amalgamation of students thoughts culminating into a self-composed speech, extracted not only an edge of creative thinking of the middle school students but also increased their ability to accomplish impromptu tasks. It allowed students to think on their feet and outside the box. It undoubtedly honed their communication and time management abilities.

Write your last years Experience Using Emojis

"Writing down one's own experience on paper generates a sense of awareness within oneself." Penning their past experience through Emojis truly aided the students of class VII communicate more effectively, hooked audience's attention making messages more impactful. The activity led students to bring out their experiences in the most creative and efficient manner.

Sudoku

Sudoku is a puzzle that requires both logic and aptitude. The young minds of class VIII participated zestfully in this activity. The objective of this activity was to increase their logical and analytical skills. The activity aimed at developing strategic thinking and problem solving skills in the students.

Group Discussion (How technology is affecting our earth?)

"Everything around us that has merits often comes with a pile of demerits that we neglect." Today, our lives are completely influenced and ruled by the technology that surround us at every other step we take. It indeed is a great volunteer to ease our efforts but our mother nature bears the consequences of it. To discuss the same, a cordial Group Discussion activity was conducted for the students of class IX. The students looked enthusiastic and eager as they presented their views and opinions on the factors of technology affecting our earth and discussed it with their fellow classmates.

Inter-class Throw Ball

Indulging in sports helps us channelizing our energy and keeps us away from the negative energy that bogs us down. Especially the students who indulge in sports have better brain functioning and it also minimizes stress. To enlighten the positivity in the higher secondary class, an inter class throw ball competition was conducted for the students of class XII.

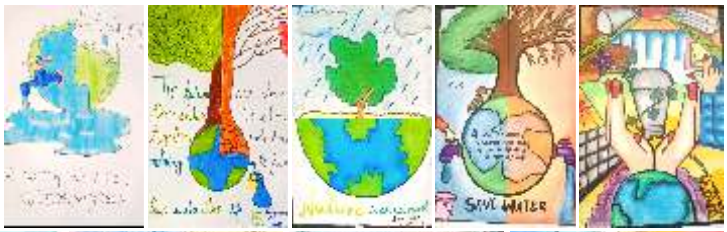

Guess the Proverbs and Idioms

Proverbs and idioms are an essential part of any language, and they play a crucial role in communication. Proverbs and idioms are concise and expressive, often offering a glimpse into the cultural values and beliefs of a society. The activity encouraged students of class VI to learn and appreciate proverbs and idioms and become proficient speakers. The students participated with vigour and mastered new language skills.

Poster Making (Topic : Nature is all we need)

The Poster Making Competition on the theme 'Nature is All We Need' served as a platform for students to connect with nature in a profound and creative manner. It highlighted the immense talent and imagination of the participants, while also igniting a sense of responsibility towards preserving the environment.

Poster Making (Topic : Importance of Music)

The school premises echoed with melodious tunes as Class VII celebrated the universal language of music through an enthralling poster-making competition. With the theme centered on "The Importance of Music," young artists put their creativity to the test, showcasing their understanding of how music impacts our lives and society as a whole. The activity aimed not only to foster artistic expression but also to promote awareness about the profound influence of music on human emotions, culture, and personal growth.

Brighton's Got Talent

BIS witnessed a remarkable display of creativity and talent as the Class VIII students took the stage for their much-awaited activity, "Brighton's Got Talent." The activity equipped an inclusive platform for students to express their passions and abilities beyond academics. It aimed to nurture confidence, boost self-esteem, and develop presentation skills among the young participants. It celebrated diversity and encouraged students to embrace their unique talents, regardless of their background or interest.

SWOT Analysis

SWOT Analysis is a versatile tool that empowers individuals and organizations to make well-informed decisions and improve their overall performance. The students of class XII had explored the fundamentals and practical applications of SWOT Analysis in various scenarios, including academic planning, career selection, and entrepreneurship. By harnessing the power of SWOT Analysis, they can pave the way for a more successful and rewarding future.

Poster Making (Topic: How are Trees Suffering these Days?)

The poster-making activity by class X students on the plight of trees has successfully shed light on the multifaceted challenges that these silent sufferers face in modern times. The exhibited art works served as a powerful medium to raise awareness among the public, compelling everyone to reflect on their roles in preserving these vital guardians of our environment.

Poster Making (Topic: Demerits of Drug Addiction)

In a bid to spread awareness about the destructive consequences of drug addiction, the students of Class XII participated in an impactful poster making competition on the topic 'Drug Addiction Demerits'. The activity aimed to shed light on the demerits and harmful effects of drug addiction that continue to plague our society. With creativity and determination, the young minds came together to raise their voices against the growing menace of substance abuse and highlighted the urgent need for prevention and rehabilitation.

Bleep Reading Activity

"Think before you speak. Read before you think". Bleep Reading activity, an interesting memory game, provided students of class IX a key practice in how to contextualize what they're hearing, which is a great step towards reading and writing, thereby gaining a deeper understanding of a text.

Skit (Topic : Drive slower to live longer)

"Life is too short to be in a hurry on the road". The Skit presented by class VI on the topic "Drive Slower to Live Longer," emphasized the critical importance of road safety. This activity promoted responsible driving as a means to extend our own lives and safeguard the lives of others, fostering a safer and more harmonious road environment. The students actively enacted a skit sharing the message of road safety norms and embracing slower driving speeds to significantly reduce the risks of accidents, injuries, and fatalities.

Be a Marketer! Science of Market

"The future belongs to those who learn more skills and combine them in creative ways."

Keeping this in mind, a fun-go activity was conducted for the senior Brightonites of class XI showcasing their entrepreneurial skills and marketing tactics appealing the audience. The students enthusiastically participated in the activity in groups and avidly marketed their goods through promotional strategies. The activity successfully inculcated a spirit of team work amongst the students and enabled them to learn how the market works.

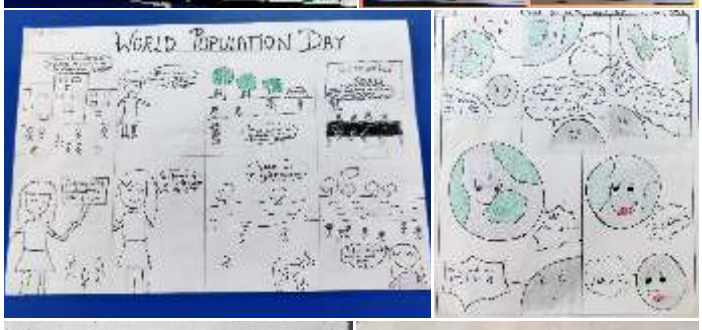

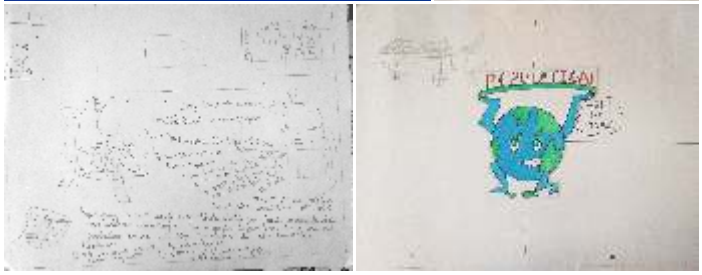

Comic Strip (Topic : World Population Day)

Comics and cartoons are two efficient teaching tools which can involve students in meaningful learning experiences .Students of grade IX created exemplary 'Comics strips' themed 'World Population Day' by combining images, point of view, drama, pun and humor in ways not possible with text alone. The issue of uncontrolled population on this earth was well highlighted in the most creative and innovative manner by the students.

Quiz (Technology and Invention)

The elated students of class VIII proved their diligence through a quiz on technology and inventions. Divided into several groups, the students keenly competed to answer the maximum number of questions correctly. This interactive activity fostered curiosity and enthusiasm among young Brightonites about the rapidly evolving world of technology.

Debate Competition
(Will huge reserves of lithium found in Jammu and Kashmir change India's future?)

"You don't win a debate by suppressing discussions; you win it with a better argument."

The art of debate encourages the students to express their ideas and take part in discussions enthusiastically. It plays a crucial role in enabling the students to elucidate their arguments on a given topic after thinking critically and rationally. To instill this healthy practice of listening carefully to the opponents and then presenting your arguments in the most convincing way, a debate competition was organized for the students of class XI. The activity was triumphant in awakening the oral skills of the students and enabled them to present their reasoning confidently.

Brighton Biz Ideas

The 'Brighton Biz Ideas' activity served as a platform for class XII students to showcase their entrepreneurial acumen by presenting innovative business ideas. This activity aimed to foster creativity, critical thinking, and entrepreneurial skills among students, empowering them to become future business leaders and change-makers.

Questionnaire (General Aptitude Test)

The primary objective of the Questionnaire activity was to help Class XII students identify their natural abilities, skills, and inclinations across various domains. It aims to provide valuable insights into their potential career paths, guiding them towards fields where they can excel and find fulfillment. Through early awareness, guidance, and exploration, students utilized the insights gained from the aptitude test to foster personal growth, make wise choices, and embark on a fulfilling and successful future.

Sentence Race

The primary objective of the Sentence Race Activity for class VIII was to generate as many sentences as one can in the given span. By doing so, students exercised their linguistic abilities, quick thinking and effective communication skills. The activity was surely a resounding success.

Skit (Animal Extinction)

In an effort to raise awareness about the critical issue of animal extinction and its impact on our planet's biodiversity, the students of Class VI at BIS took the stage to perform a thought-provoking skit. With creativity, passion, and a desire to make a difference, these creative minds utilized the power of drama to highlight the urgent need for conservation and environmental protection.

Advertising a Product

The budding minds of Class X at BIS have demonstrated their exceptional creativity and entrepreneurial spirit in a unique product advertising activity. The main objective of this activity was to cultivate the students' marketing skills and encourage them to think outside the box.

Debate
(Population Growth: Boon or Bane)

In an effort to encourage critical thinking and foster healthy discussions among young minds, the Class VI students of BIS participated in a thrilling debate competition on the topic "Population Growth: Boon or Bane?" The activity aimed to provide the young scholars with a platform to explore and present their opinions on this vital global issue.

Making of a Scientist

"The Making of a Scientist" activity for Class X students proved to be a unique opportunity to kindle the flame of scientific curiosity and inspire a new generation of young scientists. Participants grasped the principles of science by presenting projects and experiments enthusiastically. This hands-on and interactive activity aimed to foster a deeper understanding of the scientific process, critical thinking skills, and the joy of discovery.

Elocution

Class VII students of BIS showcased their eloquence and confidence in an exciting Elocution Competition. The activity aimed to nurture public speaking skills, boost self-confidence, and encourage critical thinking among the students. The competition saw participants delving into a wide array of topics, leaving the audience awe-inspired by the depth of their knowledge and articulation.

Elocution
(Where do you see India in next 10 years?)

The budding minds of class VI articulated their visions in the Elocution Competition demonstrating how the younger generation's aspirations and innovative thinking can shape the trajectory of a nation in the coming decade. Indeed this activity served as a platform for youthful optimism and dreams.

Quiz (Initiatives India@75)

"The power to question is the basis of all human progress."In a dynamic and engaging educational initiative, the students of Class VI showcased their knowledge and enthusiasm through a Quiz centered around the theme of "Initiatives under India@75." The activity not only served as a platform for the young minds to exhibit their understanding of India's journey towards its 75th year of independence but also highlighted their awareness of the various initiatives shaping the nation.

Poster Making Competition (Say 'No' to Tobacco/Liquor/Smoking)

Through their creativity, knowledge, and passion, the young artists of class VI took a remarkable initiative to effectively communicate the message of embracing a tobacco and liquor-free life. Their posters served as visual reminders of the importance of making positive choices for a healthier and brighter future.

PPT(Initiatives India@75)

The Brightonites of grade VII have embarked on an insightful journey to explore and present various initiatives undertaken as India approached its 75th year of independence. The presentation shedded lights on the country's progress, highlighting the efforts and achievements that shape India's growth story.

Fancy Dress (Represent Your State)

The elated students of class VII geared up for a one-of-a-kind event: Fancy Dress Competition on the theme - "Represent Your State." The competition not only allowed the students to explore the rich cultural diversity of India but also encouraged them to delve into the history, traditions, and iconic personalities associated with their respective states. The colorful event was a delightful mix of creativity, knowledge,

T-Shirt Designing (Tribute to our National Heroes)

In a heartfelt and creative endeavor, Class IX students engaged in a T-Shirt Designing activity that aimed to pay tribute to the remarkable national heroes who have shaped the course of our nation's history. The theme, "A Tribute to Our National Heroes," inspired students to blend their artistic talents with a deep sense of patriotism and admiration for those who have contributed to India's legacy.

Acrostic Poem

"Liberty is the breath of life to nations." The Acrostic Poem Activity provided a creative canvas for students of class VIII to experiment with language, rhythm, and emotions. The chosen keyword for this activity was "PATRIOTIC," where the students, used poignant words and vivid imagery in kindling the flames of patriotism.

Slogan Writing (Developing India)

The Slogan Writing Competition on the topic " Developing India " by Class VIII Brightonites proved to be an eye-opening experience for both the participants and the observers. It showcased the students' understanding of India's growth journey and their aspirations for a better tomorrow.

PPT (Importance of Communicating in English)

The inquisitive students of class IX effectively highlighted the importance of communicating in English through a PPT Presentation. They showcased how English proficiency opens doors to various opportunities, from academic excellence to global career prospects. The activity not only enhanced their presentation skills but also deepened their understanding of the role English plays in today's interconnected world.

Skit/Performing Arts (Use and Abuse of School Property)

'The Use and Abuse of School Property' is a critical issue that demands attention. The Skit Activity served as an innovative approach to explore this topic, enabling Brightonites of grade IX to identify the root causes, consequences, and solutions related to this problem. It truly played a pivotal role in nurturing a responsible behavior among students.

Share Your Career Plans

The career aspirations of class X students are as diverse as their interests and talents. From aspiring doctors and engineers to artists, entrepreneurs, and environmentalists, the possibilities seem limitless.The career oriented students developed a comprehensive career plan that included short term and long term goals, educational pathway ,skill development, solutions and timelines assisted with PPT,poster and visual aids to gauge the attention of the spectators.

One Minute Game

The One Minute Game Activity for grade X students proved to be a valuable tool for educators aiming to enhance student engagement, foster a positive classroom atmosphere, and improve overall learning outcomes. By offering a short and enjoyable break, the 1 minute "Word Association Game "and "Picture Assembling" activity promoted teamwork, creativity, and stress reduction, contributing to a holistic educational experience for students.

Riddles (Quiz)

Riddles have always been a captivating way to challenge minds and stimulate creative thinking.The Brightonites of Class X had the exciting opportunity to delve into the realm of Riddles through a unique Quiz Competition. The classroom was filled with a buzz of excitement and intense brainstorming as the teams collaborated to solve the riddles.This activity not only tested their critical thinking skills but also fostered teamwork and a sense of camaraderie among the participants.

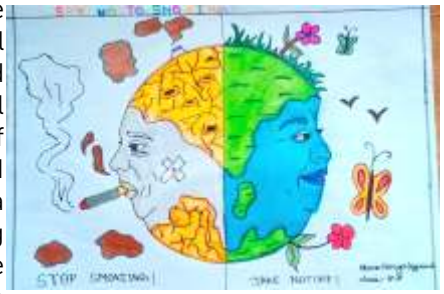

Group Patriotic Song

'Patriotism is a sentiment that binds individuals together in a shared love and devotion to their country.' The Group Patriotic Song Competition presented by class XI & XII provided an ideal platform for students to express their patriotism through the universal language of music. The competition's objective was not merely to sing songs, but to deliver heartfelt performances that evoke emotions and inspire a sense of belonging.

Poster Making Competition (Say 'No' to Tobacco/Liquor/Smoking)

In a remarkable showcase of youthful advocacy and creativity, high school Brightonites of classes XI and XII participated in a poster-making competition on the theme "Say No to Tobacco/Liquor/Smoking." The activity allowed them to articulate their views through art, channeling their creativity to advocate for a positive change in their communities. By using colors, symbols, and slogans, the students effectively conveyed the message that saying no to tobacco, liquor, and smoking is a decision that can positively impact their lives.

Nukkad Natak

Nukkad Natak, a form of street theatre, has long been recognized as a powerful medium for conveying social messages. The young minds of Class XI and XII leveraged the creative and impactful nature of Nukkad Natak to propagate the pressing social concerns and to create awareness amongst the people regarding Dowry, Depression, Swacha Bharat, (Cleanliness Campaign), Mental Health, Child Labour & many more. As these young individuals continue to harness the power of creativity and expression, they exemplify the potential of the next generation to shape a better and more informed world.

Achiever's Corner

ATL Tinkerathon

In a remarkable display of innovative prowess, Brighton International School emerged victorious in the ATL Tinkerathon Competition held in Bilaspur, showcasing their groundbreaking project named "Blind Vision: Enabling Vision through Sound." The competition, held at the forefront of technological advancement, witnessed schools from across the region showcasing their ingenuity and creativity in the field of science and technology.The project works by utilizing deep learning algorithms of computer vision by analyzing various input image datasets through a camera output module.It contained systems such as currency detection, custom face recognition,vehicle, and traffic signals detection for the visually impaired individuals to interpret and navigate their environment effectively. Among 111 participating schools, this innovative project got selected fot the National Level Competition.As the winner of the ATL Tinkerathon Competition,BIS has set a new benchmark for future innovators.

Inter school Competition (DPS)

In a thrilling showcase of talent and competitive spirit, Brightonites participated in an Inter-School Competition organized by Delhi Public School, Raipur. Out of 15 participating schools, students of Brighton International School outperformed by bagging the Overall Championship Trophy. Brighton International School's triumphant journey was a culmination of hard work, preparation, and outstanding performances in multiple categories. Students secured 1st position in Robo Soccer, Robo Race, Youth Parliament (Ruling Party), Sudoku, Dance Competition & Science Exhibition.Students also bagged 2nd and 3rd prizes in Youth Parliament (Opposition Party) , Swaranjali a Vocal Music Competition, Samachar Vaachan, Debate and Spin a tale.
